

Tough run for Mavs at OLA championships

Novices eliminated in quarterfinals; midgets go out in third round

Adding to their league hardware just wasn't in the cards for two local lacrosse teams this past weekend.

Fresh off their Zone 8 'C' title wins, the novice and midget Mavericks were both denied medals at their respective provincial championships.

Moved up two divisions in Whitby, Milton's novices reached the quarterfinals, where they were ousted 9-2 by Fergus.

While refusing to fold their tents after falling behind, the Mavericks just couldn't find that opening needed to turn the tables on their formidable opponents.

David Scarfone and Jacob Wickware did the scoring.

Milton ran the gamut in round-robin play with a win, loss and tie.

Tyler Townsend tallied twice in the lone victory — a 6-4 decision over Mississauga's second-entry squad — while chipping in singles were Scarfone, Wickware, Callum MacGregor and Mac Mazzacato.

Bailey Brown was rock solid between the pipes, as he was in a tournament-opening 4-4 stalemate with Newmarket.

Scarfone potted a pair in that one, while also denting the twine were MacGregor and Justin Whetham.

The Mavericks closed out the round robin with an 8-3 loss to Niagara-on-the-Lake, with Scarfone, Townsend and Wickware recording the goals.

Midgets in tough

Meanwhile, the midgets had an equally tough time in Hamilton, but managed to avoid the minimum two-and-out exit at the double-knockout championships.

That was thanks to an 11-0 second-round annihilation of Six Nations 3. Fortifying their offence after a 4-1 loss to Caledon, the Mavericks struck early and often to keep their provincial run going.

Cory Early and call-up Brandon Bodiam split the shutout, while Jake Davis and Bryden Curran led offensively. Davis had a hat-trick and two assists,

while Curran contributed two goals and three helpers.

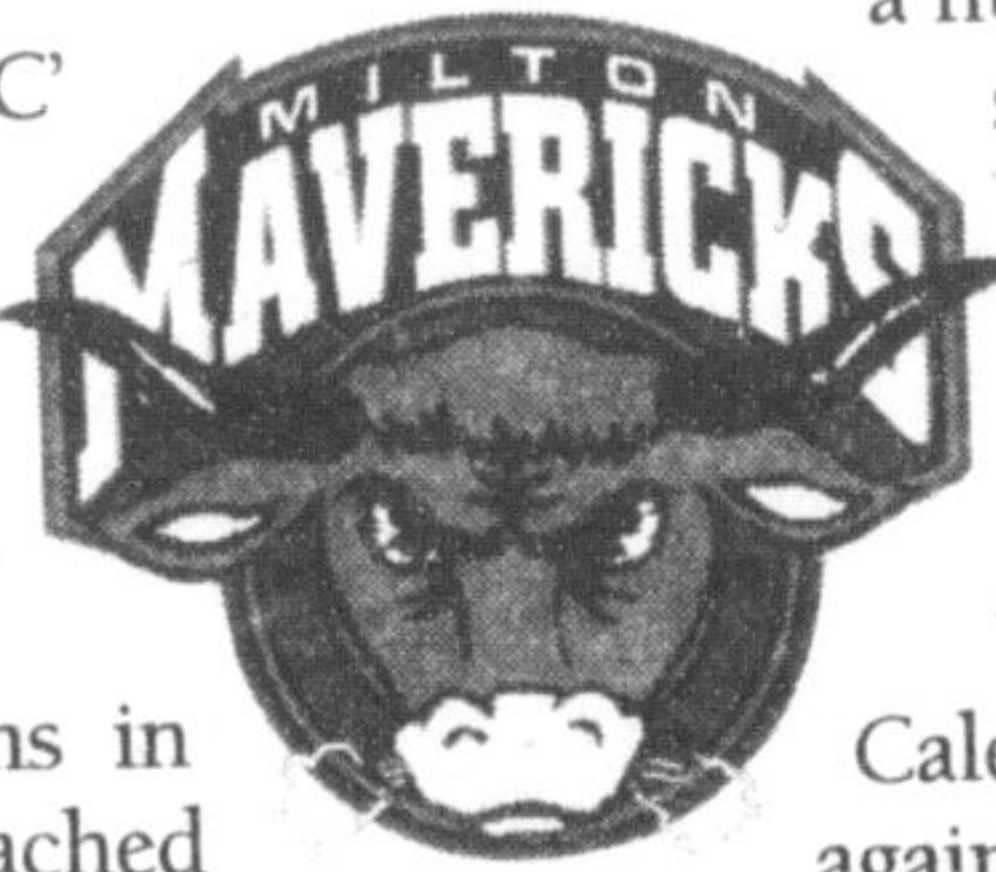

Also tallying twice was Scott Dermott.

The Mavericks looked poised to stave off elimination again, jumping out to a 3-0 lead against Oakville 2.

But their regional rivals would enjoy a huge reversal of fortune in the second period and hang on for a 7-6 squeaker, with Milton drawing within a goal inside the final minute of play.

The lone scorer versus Caledon, Curran stood out once again with a couple of goals and an assist, while Brendan Farrell and Vikram Kalia helped keep the Mavericks in position to advance with a goal and two helpers each.

The Mavericks have one remaining shot at an OLA medal, with the bantams set for this weekend's showcase in Whitby.

Brothers set to coach IceHawks

Milton's Jr. A hockey club has had quite a few brothers pass through its ranks over the years.

Now the IceHawks will have siblings behind the bench, as head coach Bill McDougall will be joined by brother Rob — who'll serve as the senior assistant for the 2008/09 season.

Like his brother, Rob played the Provincial Jr. A league and enjoyed a five-year tenure in the East Coast Hockey League after attending Plattsburgh.

More recently he's done development training with NCAA-bound players.

The McDougall tandem will be joined by assistant Bryan Gent, a 27-year-old native Miltonian who just recently completed a brief pro stint — after an impressive run at Oswego.

Expected to have most of their eligible players back from last year — including Kevin Caister, Justin Basso and Dillon Branco — the IceHawks open

training camp Monday.

Milton has four home exhibition games scheduled, beginning with a meeting with the Jr. Canadian Thursday at 8 p.m.

They're currently looking for a number of volunteers for the coming season, including an equipment manager and public announcer. Family billets are also being sought.

Anyone interested in filling these positions is asked to call club co-owner/president Dean Pielt at (905) 467-1651.

Charity 3-on-3 hoops tourney back at E.C.

E.C. Drury High School will once again be holding court in memory of two of its alumni.

Back by popular demand, the fourth annual Shooting for Angels 3-on-3 charity basketball tournament is slated for August 23 and 24.

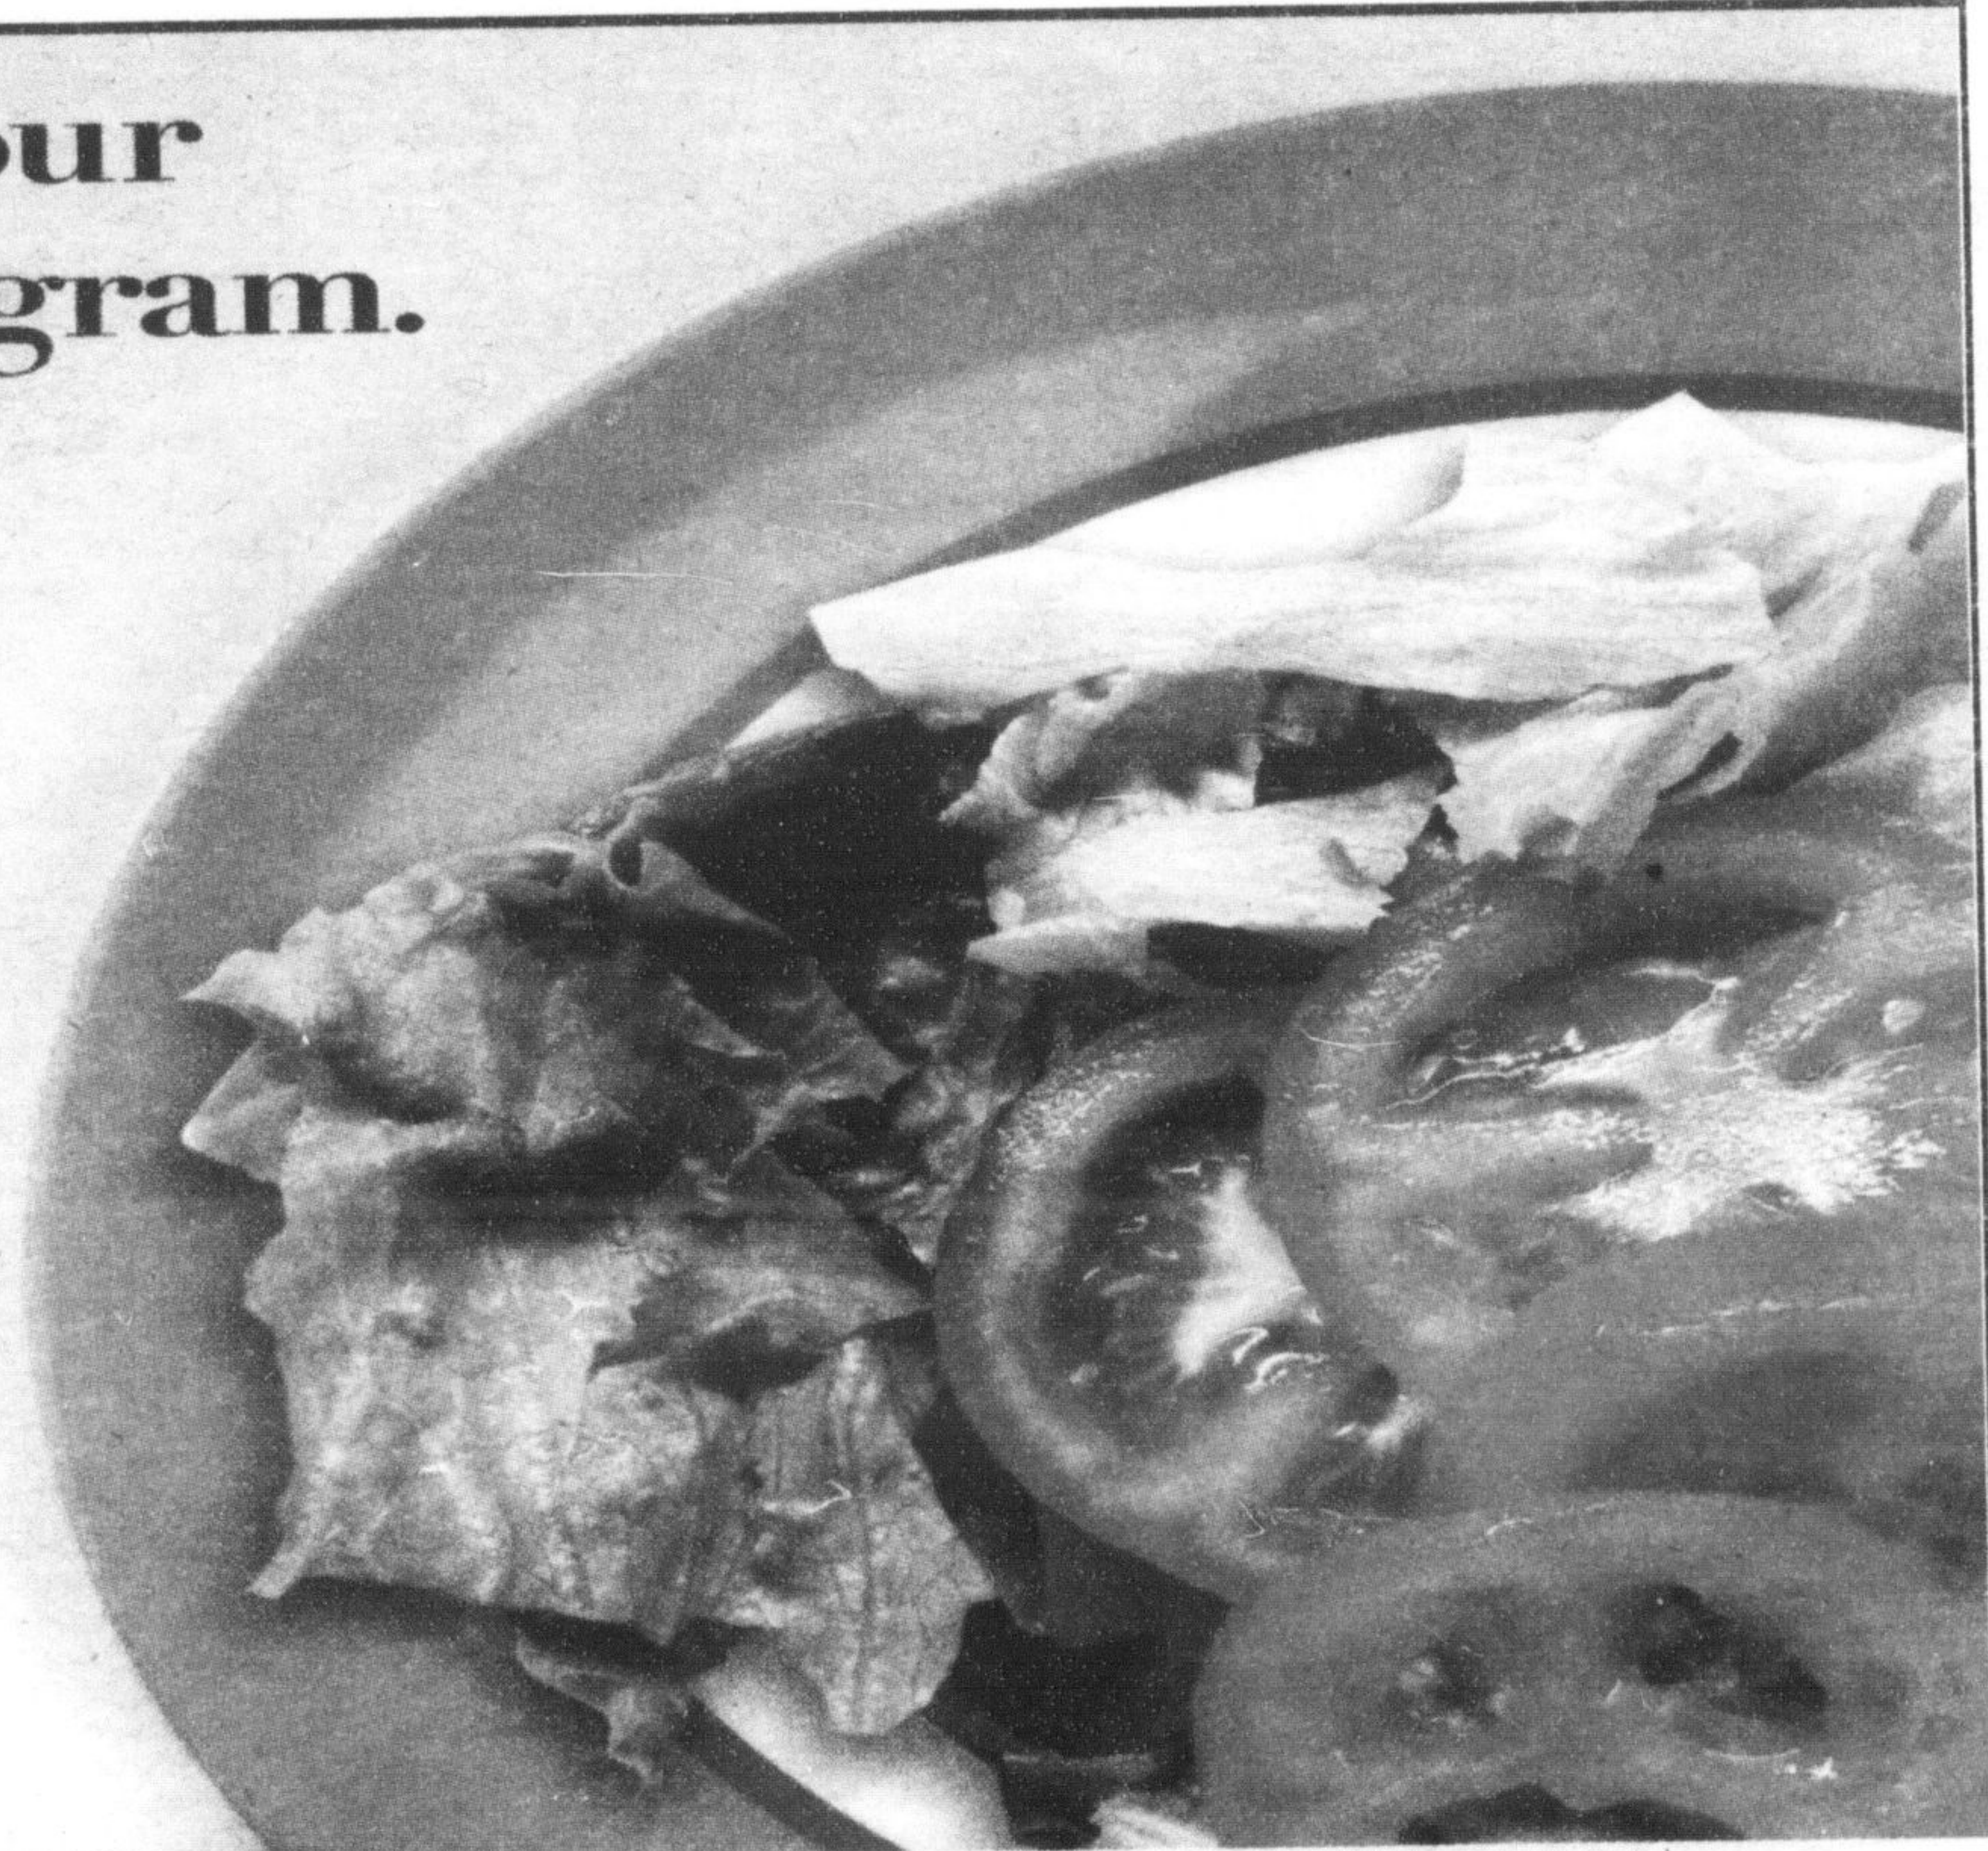

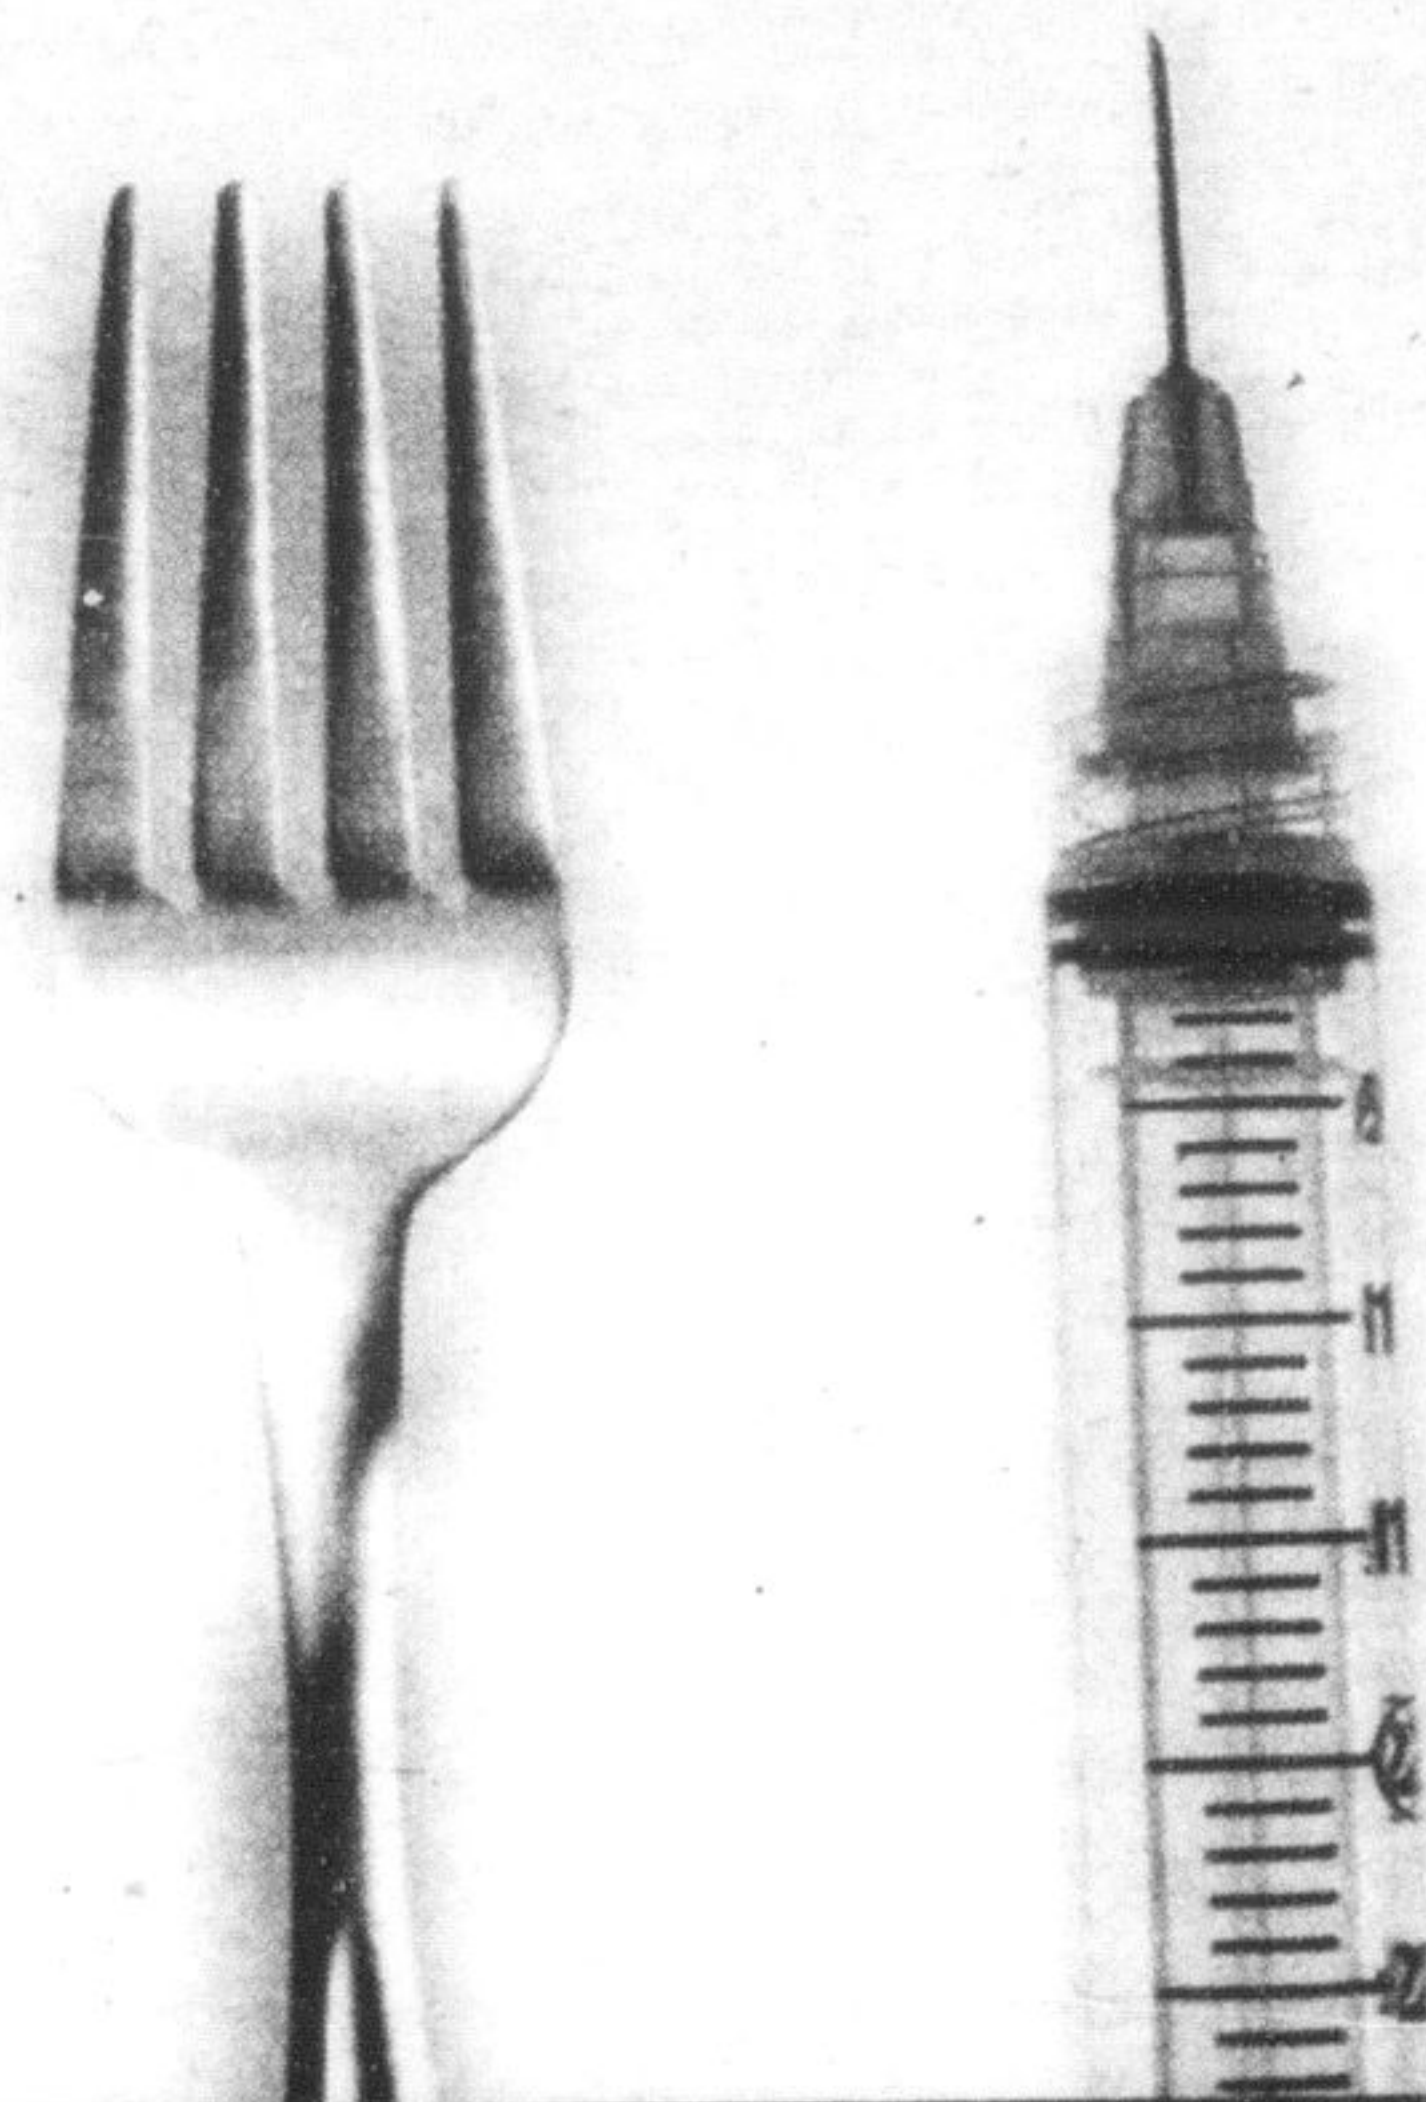

Sponsored by Kenworth Truck Centres, the late summer event is a tribute to Mike Maynard and Doug Burns, longtime best friends and beloved members of the school community who were killed in a car-train crash in 2004.

The event is expected to net another tidy sum for recipients Lawson Ministries (branch of Salvation Army) and Milton District Hospital. Organizers are also hoping to use some of the proceeds to establish a scholarship at Drury.

Games will be played throughout both days, while a Saturday night party is also planned.

To find out more about the tournament, register a team or make a donation, visit www.shootingforangels.com.

Ask about our diabetic program.

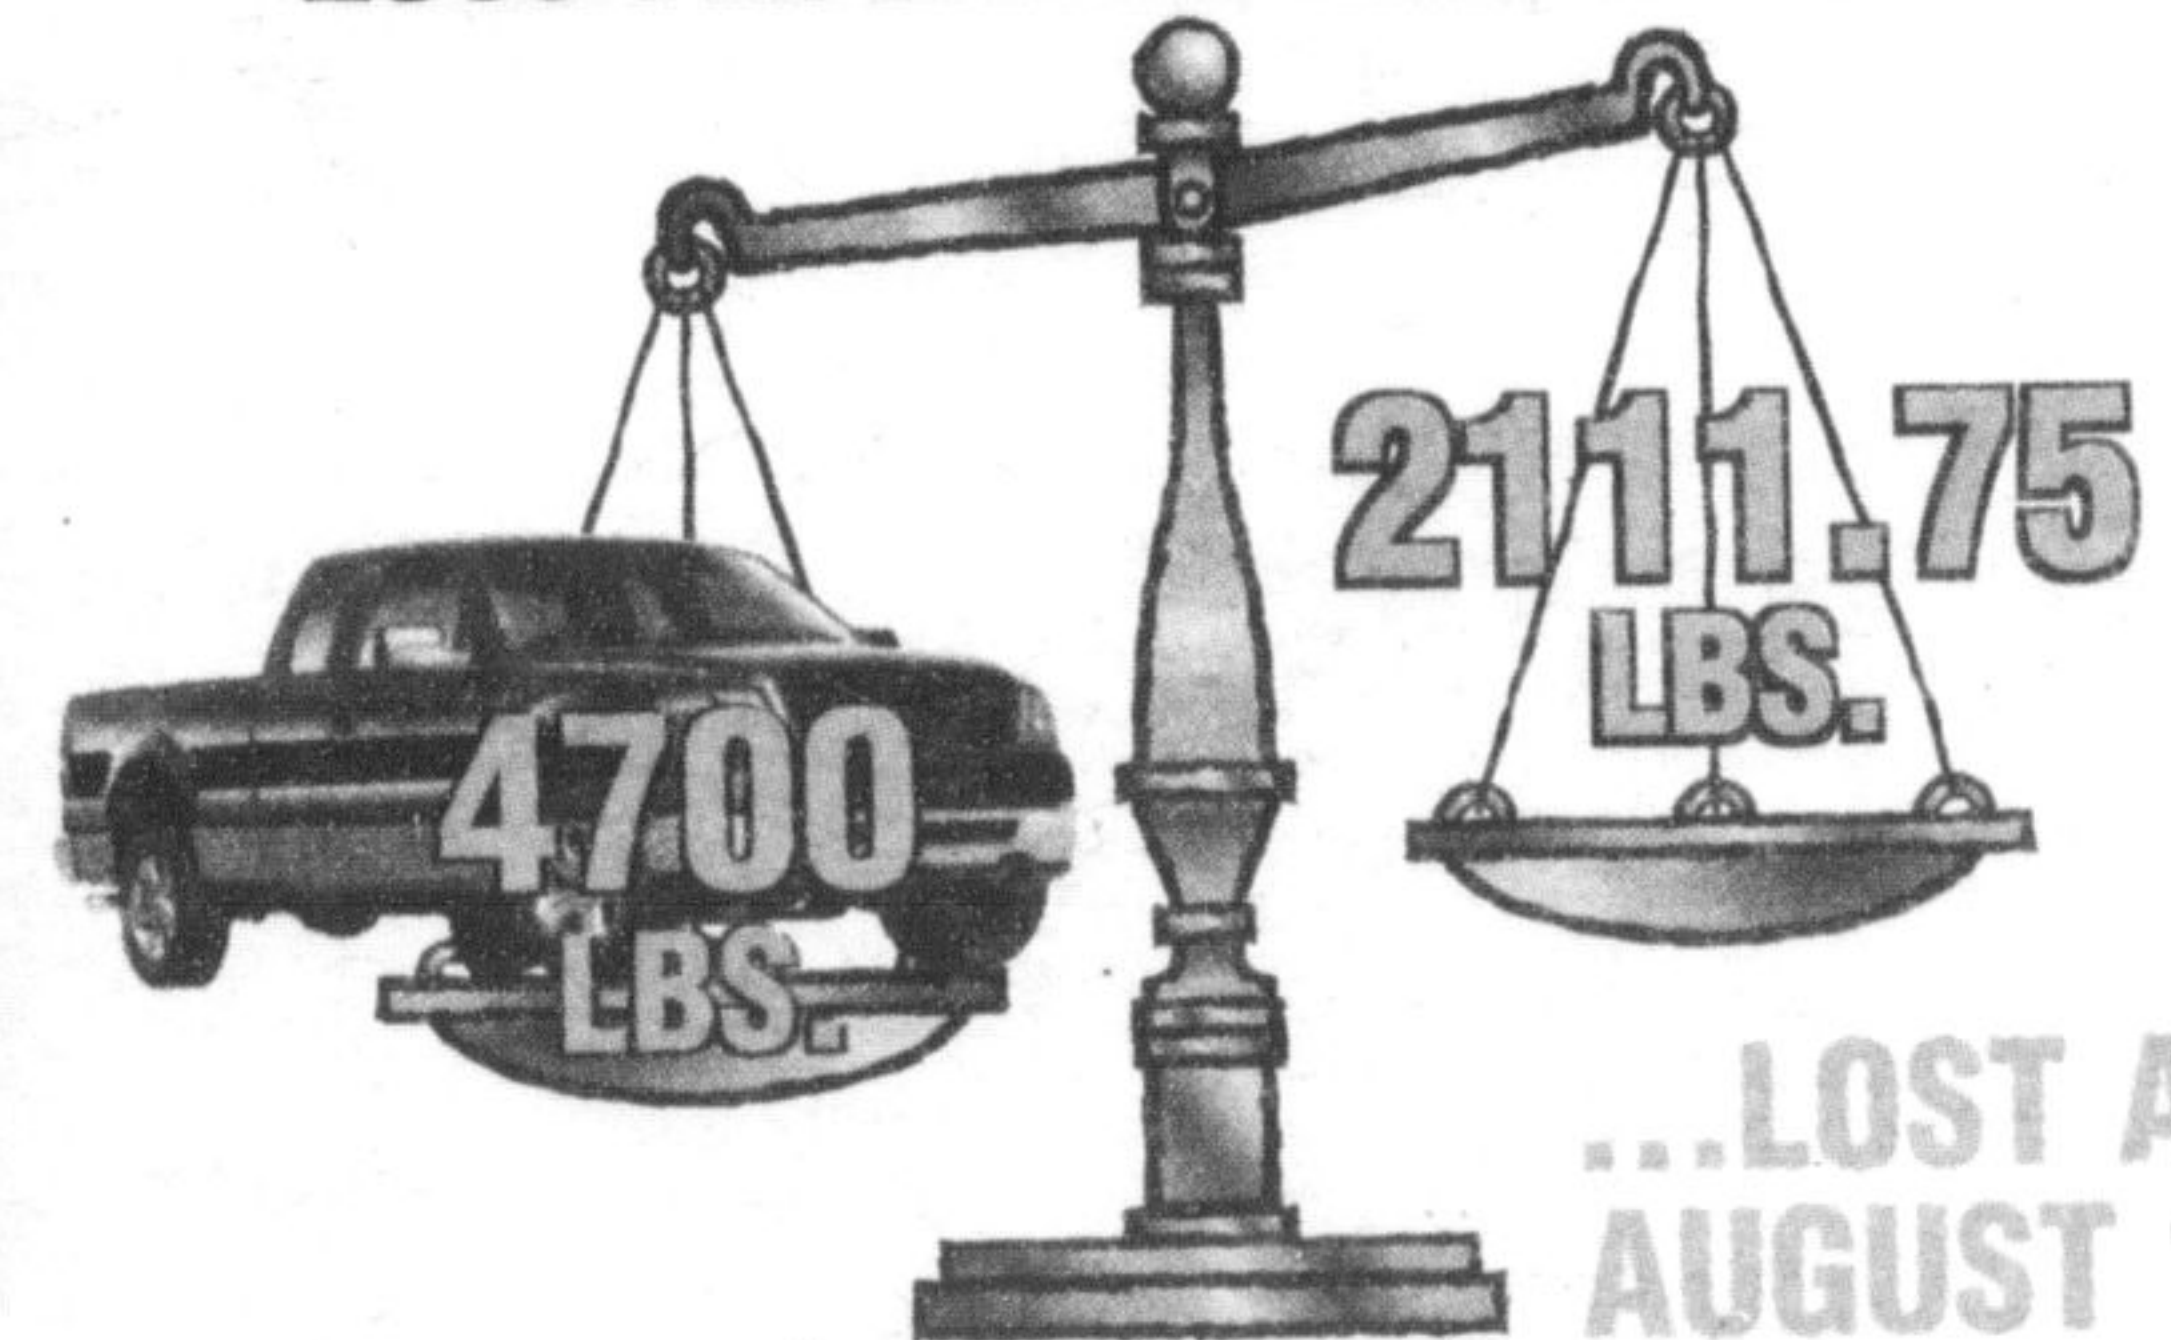

Having diabetes isn't easy. Losing weight can be.

Improving your diet and losing weight will improve insulin tolerance, balance blood sugar, and help reduce the risk of complications associated with diabetes.
