

EASING THE FIRST-TIME JITTERS:

Above, local youngsters take part in the annual School Bus Orientation Day for first-time school bus riders Saturday morning at Bishop Reding Secondary School. More than 100 kids — and their anxious parents — participated, including five-year-old Andrew Peters (far left) who hugs mom Isabelle while displaying his orientation certificate. A sure sign that school's just around the corner, the event was put on by First Student Canada (formerly Laidlaw).

New doctors now in town

Two new family physicians are now accepting patients in Milton.

Dr. Adriana Hajas has joined the Kelso Lake Medical Clinic team, while Dr. Priyanjith Peiris has become part of Dr. Goonetillake's practice (formerly Dr. Adia Hasic's practice).

"On behalf of town council and the Milton community, I would like to extend a warm Milton welcome to Dr. Hajas and Dr. Peiris," said Mayor Gord Krantz. "Halton's physician recruitment program continues to do a good job of bringing new doctors to our growing community."

The recruitment initiative is a collaborative effort between Halton Region, representatives from the four local municipalities, local physicians and senior area hospital staff.

"The shortage of family doctors in Halton, as in many other communities in Canada, continues to be a key concern," said Regional Chair Gary Carr. "The Halton physician recruitment program has been working diligently to address the issue and we are pleased to welcome these family physicians to our community."

To reach Dr. Hajas call (905) 876-1011. For Dr. Peiris' office call (905) 693-1314. For a list of all newly-recruited family physicians who are taking on patients in Halton or for more information on the recruitment program call (905) 825-6000 or visit www.halton.ca.
