Just an hour of your time could make a difference in someone's life.

**HISTORY COMES TO LIFE:** Above, members of the cavalry from the northern troops put on a saber demonstration during Sunday's American Civil War Re-enactment at Country Heritage Park. At right, members of the 2nd Louisiana medical brigade wait for casualties from the afternoon battle. Below, the south's Donaldson Light Artillery members cover their ears as they fire a shot from their mountain rifled cannon.
