thinking of moving?

TREVOR HARNESS OPENS PAK-IT-UP MOVING SUPPLY STORE
MOVING SUPPLIES MADE SIMPLE!

After a frustrating time searching for affordable moving boxes, local businessman and Milton resident Trevor Harness knew there had to be a better solution. Wasting no time he hit the streets and began talking to neighbours, friends and conducted impromptu surveys with people all across the Town. What was needed he found was a store that offered great service, convenient hours and one that had everything under one roof. As the saying goes, necessity is the key to invention and he immediately began work on a new concept in moving supplies.

Pak-It-Up prides itself on offering a one-stop shop for all your home and office moving supply needs. From a large variety of over 100 different types of boxes to all kinds of packing tape and bubble wrap, they have it all. Specialty boxes, storage boxes, shipping supplies and more. To help make your move easier they also offer equipment rentals, including moving dollies, furniture blankets and a unique service where you can rent moving tubs all at very reasonable rates. If that's not enough they also offer delivery right to your door. "Service is everything for us" commented Harness. "Moves are stressful enough without having to hunt for boxes and try to get them home." Pak-It-Up's 5,000 square foot showroom and warehouse has everything you need. "Everyone has a budget when it comes to moving" says Harness. "That's why we offer fantastic value for your dollar."
