## Hamilton Community News

ANCASTER • DUNDAS • HAMILTON MOUNTAIN • STONEY CREEK

### SENIOR EDITOR (TEMPORARY)

Are you a team player? A good writing coach? Proficient in newspaper design and copyediting? Enthusiastic about the exciting possibilities of a multi-media approach to delivering the news? Excited about getting out there and interacting with the community?

If you are, Hamilton Community News may be the place for you. We are looking for a Senior Editor to lead our award winning weekly - The Stoney Creek News. This is a temporary full-time position for approximately one year.

The successful candidate should be an experienced journalist with superior Quark XPress, pagination, design and photography skills, with a minimum of two years experience as the editor of a community newspaper or equivalent publication. A thorough understanding of regulations and legislation concerning libel, privacy, and freedom of information is required.

Responsibilities of the Editor include writing, editing, photography and pagination of a weekly newspaper. The Editor is responsible for day-to-day supervision of the newsroom, conducting the weekly editorial planning meeting, directing and prioritizing assignments for reporters, and the editing of copy. This position will also require attendance in a reporting and public relations capacity at various community events.

The successful candidate will be a confident, self-motivated team player with exceptional news judgement, who understands the importance of meeting deadlines and can excel with minimal supervision.

Proficiency in Adobe's InDesign, InCopy and Photoshop are necessary and experience in online publishing - including video - is an asset.

If you're up for the challenge, we would like to hear from you. All interested candidates should forward their resume by September 29th, 2008 to:

Hamilton Community News  
47 Coates Drive  
Dundas, Ontario L9H 1B5  
Attn: Manging Editor

Praxair, Inc., a global, Fortune 300 firm, is the largest industrial gases company in North & South America, and one of the largest worldwide, with operations in 40 countries and over \$9 billion in sales. The company produces, sells, and distributes atmospheric, process and specialty gases, and high-performance surface coatings to a diverse group of industries. Praxair is a performance leader in its industry and has been recognized for outstanding growth and profitability.

### Field Service Technician

This position is responsible for the installation and maintenance of bulk industrial gas supply systems and equipment located at customer sites throughout Ontario. In addition, this position is required to work on small on-site plants, cryogenic food freezing equipment and piping installations.

You will possess a trade certificate as an Industrial Maintenance Electrician, Refrigeration Mechanic, Industrial Millwright or a community college diploma in a related discipline and have a minimum of 3 years experience. You will be familiar with the installation and maintenance of bulk cryogenic storage tanks, associated vaporizers and pressure/flow control stations, high pressure gas storage tubes, as well as process equipment such as freezers, mixers and process control manifolds. Experience with piping design specifications, process and instrumentation diagrams, schematic wiring diagrams, control panels and automatic valves would be an asset.

This position requires some weekend and evening work and you must be willing to travel periodically throughout Ontario.

Interested and qualified applicants are requested to submit a resume to:

**Human Resources Manager**  
**Praxair Canada Inc.**  
1200 - 1 City Centre Drive  
Mississauga, Ontario  
L5B 1M2  
Fax: 905-803-1693
