MILTON

MILTON CHAMBER OF

www.chamber.milton.ca

President's Message

Rosa Martins

The Chamber has a full calendar of events for October and we hope you can attend one or all of them.

The Milton Farmers' Markets celebrates another season with the final market on Saturday, October 11, 2008! So get out there for the next two weeks and enjoy Ontario's bounty - you can also stock up for winter! A successful market does not happen by itself, it is through the efforts of staff, customers and vendors that we are able to provide the town with such a special Saturday morning attraction.

An exciting addition to the Farmers' Market agenda is Maizey Day at the Market on Saturday October 4, this weekend. Dress up like Maizey the scarecrow and win great prizes! Look for more information in this centre spread.

Small Business Week is October 19-25, 2008. The Chamber is hosting Lunch with the Honourable Perrin Beatty, CEO and President of the Canadian Chamber of Commerce on Monday, October 20 at RattleSnake Point Golf Club. The Honourable Perrin Beatty will speak to Milton Chamber Members and guests about the challenges and opportunities facing Canadian businesses today in an ever more competitive global environment.

Another exciting event during Business Week is an Economic Development Bus Tour with guide Andrew Siltala, Manager of Economic Development on Wednesday, October 22. This tour will explore all the industrial, commercial, retail and residential areas within the Town of Milton. Andrew will talk about the opportunities for business expansion and mix of inventories available for lease. There will be two economic development tours but space is limited so book your spot soon!

Our regular Business After Hours networking event is being held at CIBC on Maple Ave co-hosted with Milton Toastmasters on Tuesday, October 28 between 5:00 PM and 7:00 PM. All members are welcome.

That wraps up a busy month and we look forward to seeing you at all the events. For more information please call the Milton Chamber of Commerce office at 905-878-0581.

Upcoming Networking Events

Contact the Chamber at 905-878-0581 for further information about these functions.
