Deadline is Friday, October 17, 2008

**GateWay**

We are a leader in providing ground transportation solutions throughout North America. Started in 1994, Gateway is a licensed, reliable and respected transportation broker. We have experienced tremendous growth and are expanding once again. We offer a first class work environment that includes stable employment, competitive compensation, training & benefits. We have two exciting career opportunities available and are looking for the right individuals to join our team:

**JUNIOR ADMINISTRATOR/ OPERATIONS ASST.**

Duties will include light bookkeeping, collections and credit, various office and secretarial duties, as well as providing clerical support to our busy operations department. Applicants must be computer literate, organized, capable of working with minimal supervision, and have excellent written and verbal communication skills. This is an immediate opening for a full-time, permanent position. This is a junior to intermediate position and compensation will be commensurate with skills and experience.

**LOGISTICS CO-ORDINATOR**

We are looking for an above average communicator to accurately route and track cargo shipments. The successful candidate must be computer literate, be a team player and work well under pressure. The ability to recognize and work through potential problems while communicating effectively with customers, carriers, and co-workers is essential. This is a busy but satisfying position requiring an energetic, customer-service driven individual.

**INSIDE SALES & ACCOUNT EXECUTIVE**

We are looking for an outgoing, highly motivated professional to join our sales team. Excellent telephone, presentation and strong organizational skills are required. You will be responsible for calling on potential clients, assessing needs, closing sales and relationship building. Preference will be given to individuals with a proven sales track record or a background in transportation. This is a salary position with group benefits and an above average commission package.
