GRAHAM PAINE / CANADIAN CHAMPION

A REAL LEARNING EXPERIENCE: As part of 'Take Our Kids to Work Day' last week, *Champion* sales reps Clem Scholtz and Diane Wolstenhome were shadowed by their daughters Desiree (far left) and Emily (centre) respectively. Laura Litherland (right) spent the day with photographer Graham Paine.

SPECIALIST HIGH SKILLS MAJORS

Ontario high school students are now learning and earning credits in ways you may never have imagined. With Specialist High Skills Majors—part of the Student Success Program—students can focus on a career path to match their skills and interests in sectors as diverse as health and wellness, landscaping, construction, and business, to name just a few. By making courses more relevant to students, kids get a better understanding

STUDENT SUCCESS PROGRAM

of a subject because they learn it in a real work environment. Each major is a bundle of 8 to 10 courses, part of the overall 30 credits needed for graduation. Students learn on the job with employers, as well as in school. At graduation, they receive a specially designated diploma.
