

Minor atoms on a roll

Milton's AA minor atoms dropped their home opener at the end of September, and apparently didn't like the feeling.

They haven't lost another game — at least in league play — since.

The Winterhawks extended their unbeaten streak to 11 games at Milton Sports Centre Tuesday evening, eking out a 4-3 decision over neighbouring rival Georgetown.

Powered by Justin Whetham

— who factored into all four goals, scoring two himself (including game winner) and helping set up the others — the hosts pulled out their fifth one-goal victory of the season and improved to 9-1-2.

Christian Propp was solid between the pipes, shutting out the Raiders until the third period.

Miles Jackson and Felix Gravel were the other marksmen, while contributing a pair of assists was Callum MacGregor.

MUSTANGS CORRALLED: Above, Milton District junior standout Ben Millar gets taken down by Georgetown Rebels Sean Mansi and Scott Brown during Wednesday's Halton Division 2 semifinals at MD. At left, Mustang quarterback Darren Prong tries to fend off Georgetown's Mac Morrison. Despite an exceptional effort by Millar, the hosts were dumped 34-12 — due largely to umpteen penalties and defensive glitches. Scoring the touchdowns were Taylor Neely and Millar, who amassed more than 200 yards of rushing, but had at least half of his big gains negated by undisciplined play. The loss was especially disappointing, as MD finished first at 4-1-1 and had beaten Georgetown 23-12 two weeks earlier. Meanwhile, the senior Mustangs were blanked 23-0 by defending champion Burlington Central in the Division 3 semis Wednesday.
