Five-week church series on topic of sex

Church is the last place most people would expect to hear about sex.

But a local church is changing that notion with its upcoming series entitled 'Sex and the Suburbs.'

The Village Community Church, which meets at Galaxy Cinemas, will begin the five-week series this Sunday at 10 a.m. and finish up December 14.

"For some, sex and sexuality are hush-hush issues, especially when it comes to church and faith," said pastor Rob Stanley.

"But I think we need to see the link,

which is there, between how we manage our sex lives and how we manage our faith, and just how deep this issue truly runs."

To generate interest and information for the series, the church created a survey on the topic at www.miltonsexsurvey.ca for residents to fill out anonymously.

Each Sunday of the series, survey results — which Stanley said have been "fairly shocking" — will be revealed. So far, 350 surveys have been completed.

The five issues being covered are the five areas survey-takers were questioned

on: facts and frequency, virgins and vows, purity and porn, health and happiness, and sadness and struggles.

It's not a series Stanley said he's necessarily looking forward to doing. But, he said, it's one that needs to be done.

"It's one we feel like we have to (do) if we're going to get brutally honest about what's holding some people back from truly discovering a relationship with God," he said.

Lost loved one can be remembered on tree

Time is running out for those who would like to have a departed loved one represented in the annual Loving Memory Tree ceremony.

Bereaved Families of Ontario/Halton-Peel will hold this year's ceremony Monday, Dec. 1 at 6:30 p.m. in the Great Hall at the Mississauga Civic Centre.

Anyone grieving the loss of a loved one in the recent or distant past is welcome to attend. The evening will offer words of comfort, a musical tribute with a screen displaying names and/or photos of loved ones who have passed away, and a moment of silence followed by the illumination of the Loving Memory Tree.

Each white light symbolizes the memory of a loved one.

Those wishing to have their loved one's name on a plaque and

their name and/or photo flashed across the screen should contact Bereaved Families at (905) 848-4337 by Monday. A donation is requested.

Retired school vice-principal Theo Borg, whose daughter Rebecca passed away from leukemia, will be the keynote speaker.

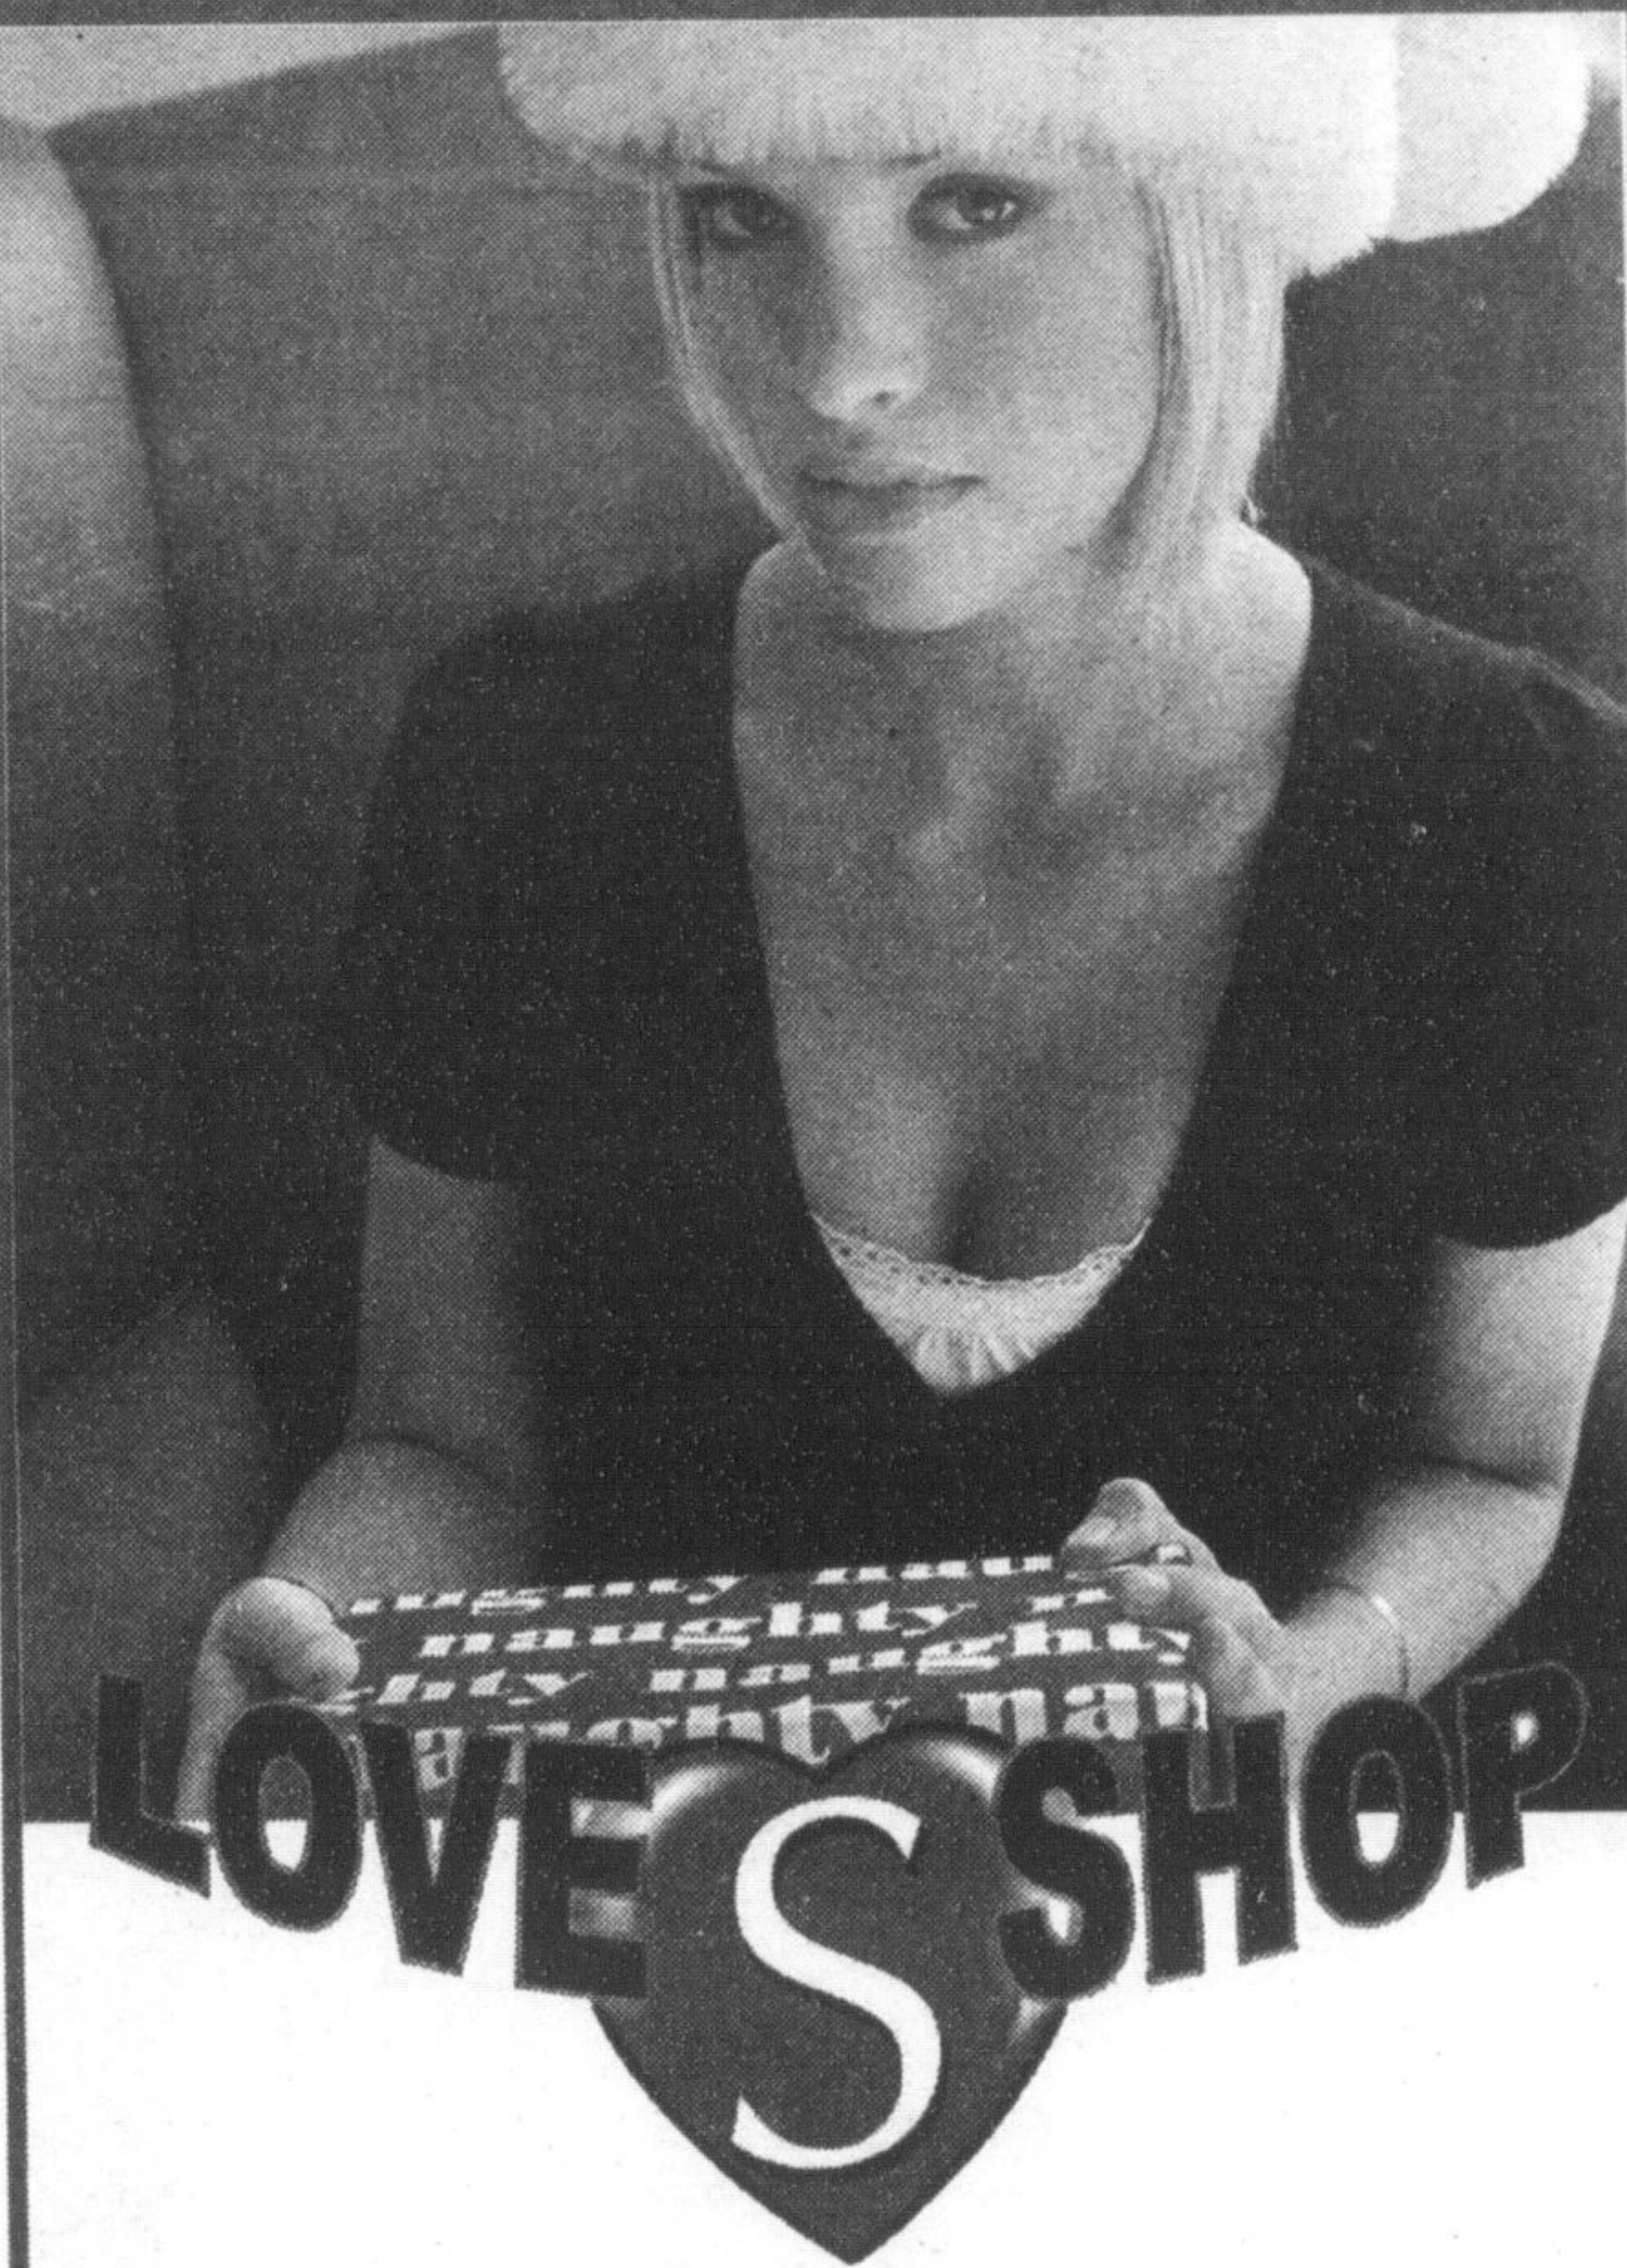

Refreshments will be served before and after the event, and a memento will be available for purchase.

The Loving Memory Tree has stood in the conservatory of the Mississauga Civic Centre during the holiday season since 1991. Many people see it as an oasis for those whose hurt seems more poignant during the holiday season.

We believe... in helping. Anyone. Anywhere.
