**SANTA'S FURRY FRIENDS:** At left, seven-week-old kitten Newman warms up to Santa during the recent Pet Photo with Santa Day at Pet Valu. Above, Santa uses a gingerbread shaped dog toy to keep the attention of one-and-a-half-year-old Shih-tzu Lady. Proceeds from the day went to the Upper Credit Humane Society.

## Book donations being sought

The Milton Public Library is hoping to pass along a love of reading to some kids in the community — but they need your help to do that.

Until December 15, CUPE Local 4366 — the workers of the Milton Public Library —

will once again collect new children's books for the Salvation Army's Christmas hampers.

Donations can be dropped off at the Milton Public Library on Bruce Street, where there is a collection box at the main level information desk.

Be Ready for Winter Weather

## Allow the Plow!

We all want our streets cleared of snow quickly, but nothing slows down the work of snow plows more than cars parked on the street. Don't forget:

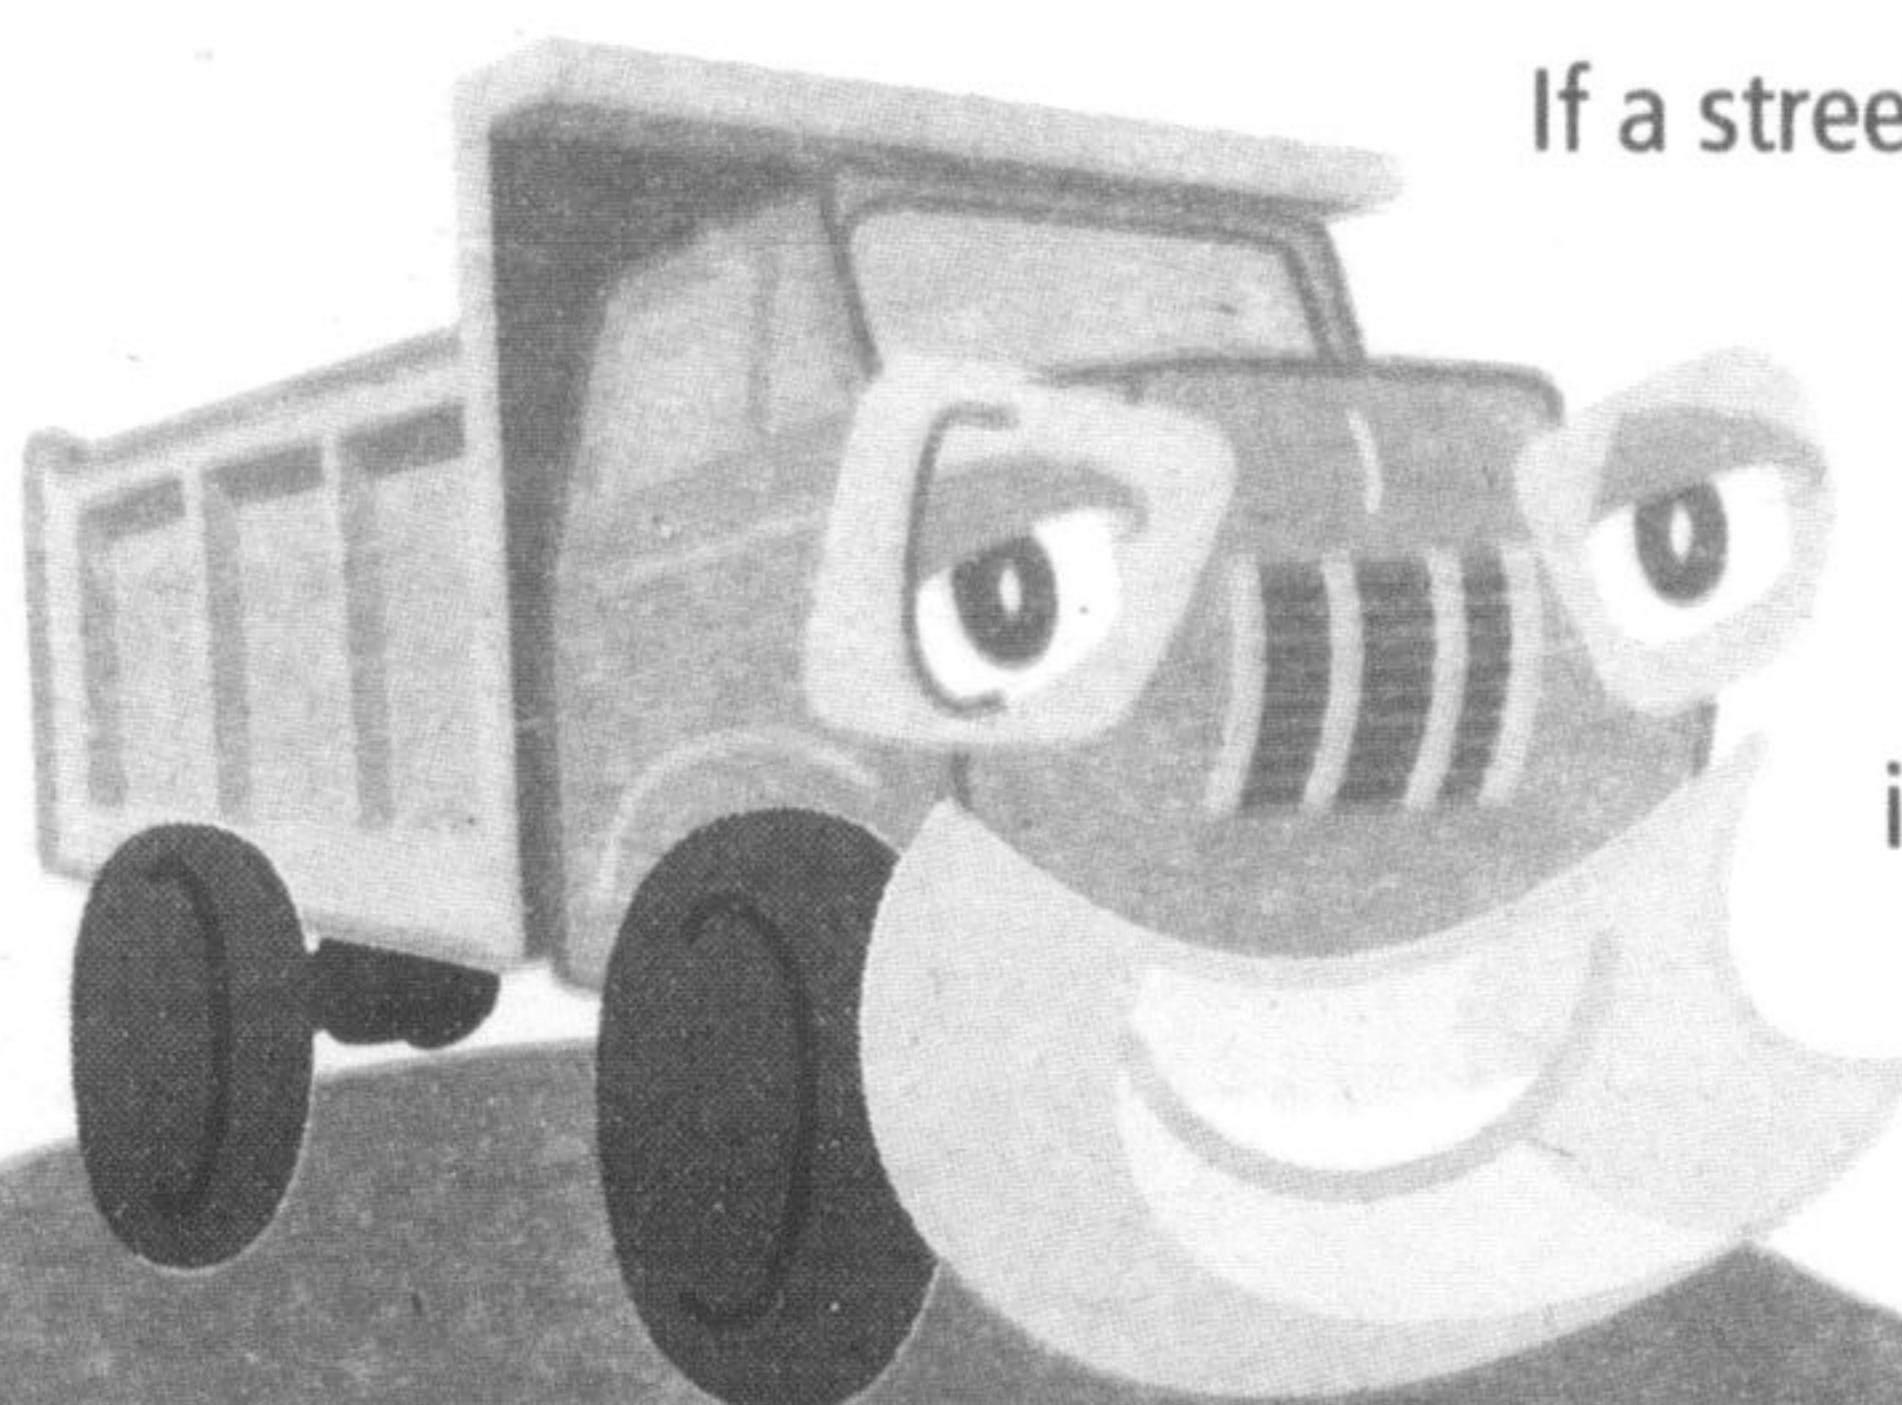

- The parking by-law in the Town of Milton is three hours unless otherwise posted.
- Cars must be removed from the road during snow clearing operations (in which case the three hour parking limit does not apply).
- Vehicles found to be impeding snow clearing operations can be ticketed and towed at the owner's expense.
- Keeping parked cars off the street will speed up snow removal and increase community safety.

### Road Plowing Response Times

Snow plowing response times range depending on the severity of the snow/ice storm and the priority of roads (Regional roads are plowed first, then major Town thoroughfares and finally local streets).

If a street has not been cleared within 24 hours after a storm has ended, please call the Snow Control office at 905-878-7252, ext. 2500.

Please visit [www.milton.ca](http://www.milton.ca) for more information about Snow Control Services.

This winter, please  
"Allow the Plow"  
to do its work!
