

# Seminar for small businesses

Small and medium-sized businesses in Halton looking to sell their products in international markets will be given some tips on achieving a successful expansion at an upcoming seminar.

The seminar will feature the work of the Ontario Chamber of Commerce's Provincially-funded Export Access Program, a global expansion program that helps smaller businesses enter foreign markets.

Speakers at the seminar will include Debbie Walker, the director of community export development for the province's ministry of international trade and investment.

Halton Region's business development centre will host the event in partnership with the chambers of commerce for Burlington, Oakville, Milton and Halton Hills. It will take place Thursday, Jan. 15 at 7:30 a.m. at the Oakville Conference and Banquet Centre, 2515 Wycroft Rd.

Eligibility requirements to attend the seminar can be found at [www.exportaccess.ca](http://www.exportaccess.ca). To register, contact Access Halton at (905) 825-6000 or on-line at [www.halton.ca/business](http://www.halton.ca/business).
