Mother touched by support

• from GRATEFUL on page A4

Suzanne said she's seen firsthand the goodwill and generosity of Miltonians.

Just last weekend, a fundraiser was held at Ned Devine's that raised \$2,000 for leukemia research. She trusts residents will once again rise to the occasion to help people who, like Ryan, need blood.

"You never know when you might find yourself in that situation," she said.

To make an appointment for the blood donor clinic, call 1-888-2-DONATE.

For more information about Ryan, visit www.ryansroar.ca — named after Ryan's love of dinosaurs. For more information about joining the bone marrow registry, visit www.onematch.ca.

one to expand service. An additional two more units have been proposed for 2010, subject to the recommendations of the ongoing transit study.

In 2007, about 37 per cent of Milton Transit riders transferred to GO Transit trains or buses. A passenger with a GO ticket or pass only has to pay an additional 50 cents to ride on Milton buses.

All five Milton bus routes wind through neighbourhoods and industrial areas and pass by the GO Station on Main Street, rather than operating on a grid based system with buses running along the same road continuously.

The drop-in public information centre will be held at the Milton Seniors' Activity Centre, 500 Childs Dr., Monday, Jan. 19 from 4 to 8 p.m. For more information, visit www.milton.ca.
