Obituary

Margaret Jeannie Everett (nee Moggach)
Jan. 10th, 1918 - Jan. 4th, 2009

On January 10th 1918 at Tintern, Lincoln County Ontario, Bertram and Florence Moggach were blessed with the birth of a premature baby. Bathed in olive oil and swaddled in cotton batting, what the tiny girl lacked in size she made up for in spirit. Exercising her father's thoroughbreds and learning to box primed Jean for an eventful and productive life. Hard working, tenacious and principled the fifty year resident of Burlington's No. 2 Side Road was a life-long member of The Women's Institute and a consistent community advocate. Saddled with a young family and the death of her husband Scotty, Jean shouldered the task of running the family dairy farm and with the help of neighbours, friends and family took the herd to new heights of productivity. As the farm prospered, Jean undertook a series of worldwide agricultural study tours. Upon her return would share her hundreds of photographs and personal observations with all who were interested. Tea with Mrs. Everett or "Aunt Jean" was a given if you darkened her door. The blessings and support she and her family received through the years were paid forward in earnest. Jean counted her family and children as her greatest blessing. "What would you do without Children?" and advocated for a full and active life "Don't wait for your old age to do the things that interest you." Jean was predeceased by her husband Edgar (Scotty), her daughter Jo and her brothers Fred, Bud and Ian. Jean is survived by her children Bob, Cindy and Bill, and daughters-in-law Laurel and Elaine, her sisters Audrey and Barbara and brother Robert, thirteen grandchildren and six great grandchildren. Jean did her best to live her Christian principles and has undoubtedly left this world a better place. Jean has requested cremation and that no official service be observed for her but please take some time and call or visit someone dear to you. We are blessed to have had Jean Everett in our lives.
