Before you spend your HARD EARNED ADVERTISING DOLLARS, you should know the answers to the following questions...

The 5 "W's"

WHO... is producing your advertising vehicle? Do they have the expertise? Proven readership? Are their rates realistic and sustainable over time?

WHAT... does the medium look like? Is it substantial? Quality? A good-looking product that will make people read it before tossing in the blue box?

WHEN... will the product be delivered? Has it proven to be delivered on time and when scheduled?

WHERE... will the product be delivered? Do you know which postal areas or FSA's it's supposed to go to? Is it guaranteed and officially audited to prove it reaches all the households promised?

Why... would you advertise with without the answers to the above questions?

Metroland's Community of Newspapers believe we have the answers you seek...

Who... Metroland's Community of Newspapers have consistently delivered proven, audited* readership results

What... We have produced award winning** newspapers, honoured for excellence in community coverage and service, design, readability and results.

When... Delivery guaranteed and audited*** circulation, going where we say it's going and when... Twice weekly!

Where... We are the only publication guaranteeing blanket coverage of your markets.

Ever alert to changing market forces and needs, we have expanded our reach to stretch your branding exposure from Milton in the south, to Erin, Caledon, North Brampton and surrounding rural routes for one LOW, AFFORDABLE price.

WHY... would you put your advertising dollars with anyone but a proven performer... Metroland's Community of Newspapers.

Delivered to Over **80,000** homes per week
