2009 Budget – Investing in Capital Infrastructure

Regional Council unanimously approved the 2009 budget, raising Regional property taxes by 1.7 per cent. Over the past three years, Halton Region has consistently had one of the lowest tax increases for Regional programs and services in the Province of Ontario. From 2007-2009, the combined average tax increase is less than one per cent.

Given the current economic climate, budget deliberations were rigorous as staff and Council worked to come up with practical solutions in response to the key budget drivers, including investing in capital infrastructure.

The 2009 budget takes into consideration maintaining and replacing existing infrastructure and delivering new infrastructure to support economic development.

Celebrate Chinese New Year with dinner Feb. 7

The Halton Region Chinese Canadian Association (HRCCA) will celebrate the Chinese New Year with its annual fundraising dinner Saturday, Feb. 7.

To be held at Summit Garden Chinese Cuisine Restaurant — located at Winston Churchill Boulevard, just north of Dundas Street in Mississauga — the event will

be in support of the Yee Hong Centre for Geriatric Care in Mississauga, a long-term-care facility that serves the Chinese and other Asian communities in Halton and Peel regions.

The reception starts at 6 p.m., followed by a 10-course dinner and entertainment — which includes a traditional Lion Dance as well as a live band and karaoke.

There will also be a silent auction and plenty of door prizes.

Tickets cost \$60 for HRCCA members, \$70 for non-members and \$40 for children 12 and under. Of each ticket, \$20 goes to the Yee Hong Centre.

To purchase tickets or for more information, call (905) 847-8023 or visit www.hrcca.ca.
