It's a dirty job, but...

Volunteers enjoyed a warm sunny morning for the annual Good Neighbours Day Saturday. As usual, the spring clean-up event included such chores as washing windows and raking lawns, as well as cleaning up local parks and boulevards. Clockwise from right, Milton District High School students and friends (from left) Lauren Neely, Kathryn Clark, Becca King and Stefanie Proulx haul carpet, underpadding and other debris up to the transfer site from the wooded area of Sixteen Mile Creek. Becca picks up a variety of tossed out items — including old hockey sticks — in the Sixteen Mile Creek underbrush. From left, Kathryn, Becca, Lauren and Stefanie show their muddy and burr-laden gloves after a strenuous morning. Stefanie struggles to free this discarded snow shovel from the underbrush.
