## Be prepared for emergency

Halton Region is asking residents to ensure they're prepared for a major emergency such as a blackout or severe storm — an event many residents might be familiar with after the recent major storm knocked out power to many households.

As part of this week's 14th annual Emergency Preparedness Week, the Region is issuing a reminder to residents to plan for an emergency by knowing the risks, making a family plan and getting an emergency kit that contains food, water, a radio, a flashlight

and batteries to get through at least a 72-hour emergency.

Residents can visit [www.halton.ca/beprepared](http://www.halton.ca/beprepared) to find out more information and download resources such as Halton's Personal Emergency Preparedness Guide and information for people with special needs or disabilities.

The information can also be obtained at municipal offices or facilities or by calling 1-866-442-5866 or via e-mail at [accesshalton@halton.ca](mailto:accesshalton@halton.ca).

dents can receive a hamburger or hot dog, a drink and a bag of chips.

To top it off, the James Snow Parkway store will have Mike Holmes from Holmes on Homes flipping for charity between 11 a.m. and 1 p.m. (Read about Holmes' new television show on page A29.)
