

# Just Like Mom!

## Mother's Eyes

What are the songs the mother sings?  
Of birds and flowers and pretty things;  
Baby lies in her arms and spies  
All his world in the mother's eyes.

What are the tales the mother tells?  
Of gems and jewels and silver bells;  
Baby lies in her arms and spies  
All his wealth in the mother's eyes.

What are the thoughts in the mother's mind?  
Of the gentle Saviour, loving and kind;  
Baby lies in her arms and spies  
All his heaven in the mother's eyes.
