

Just Like Mom!

*You turned out even better
Than I often dreamed you would be;
You are more than I had hoped for;
You are a sweet reward to me.*

*You grew up to be a mother
Full of wisdom, warmth and love,
A good and fine role model,
A blessing from above.*

*I could not be any prouder
Than I am today of you;
You are my daughter and my friend,
And a wonderful person, too.*

*You have my love forever;
I adored you from the start;
It is a privilege to be your mother,
Dear daughter of my heart.*
