**NUDE BUDDHA
 TATTOO & PIERCING STUDIO**

Did you know?

Piercing anywhere other than on the lobe with a gun is not only dangerous but now also illegal in Ontario.

Being pierced with a gun will damage the tissue in your earlobe. This can cause keloids, scarring and infection. This can also result in permanent nerve damage.

Guns are NOT STERILE and can spread life-threatening diseases like hepatitis and HIV.

"Professionals" who use a gun are not trained in piercing, the prevention of cross contamination or proper sterilization.

Bring this in to receive:

\$10
