Harvester Energy Canada
Harvesting nature's energy

Harvester Energy Canada, founded in 2010, is embracing opportunities in the solar energy market under Ontario's Feed-In-Tariff program. Harvester Energy will design, procure, install, and service photovoltaic solar panels that will deliver power to local distribution companies (LDC). Harvester Energy provides the vehicle for the LDC to generate solar energy in an efficient and significant way. Harvester Energy, located in Halton Hills, has an opportunity reporting to the Vice President Operations for an

OFFICE MANAGER

Responsible for managing all office related activities in a fast paced environment. We require an undergraduate degree or diploma and a solid background in office management including at least three years relevant experience. The candidate will be responsible for all office functions including: schedules, purchasing of office supplies, correspondence, and the management of office files including engineering, finance, and costing information. The candidate will also be responsible for the creation and enforcement of corporate identity standards. Front line telephone support is necessary in dealing with sales, operations, technical service, accounting, outside vendors and customers.

The candidate must be a skilled communicator in English with proven proficiency in all Microsoft Office products.
