**MAIN STREET RECONSTRUCTION / REALIGNMENT -  
BRONTE STREET WESTERLY 0.8 KM  
CLASS ENVIRONMENTAL ASSESSMENT STUDY  
NOTICE OF FILING OF ENVIRONMENTAL STUDY REPORT**

The Town of Milton has completed a Class Environmental Assessment (Class EA) Study for the proposed reconstruction and realignment of Main Street from Bronte Street westerly approximately 0.8 km. The Class EA Study was undertaken in accordance with Schedule 'C' of the Municipal Class Environmental Assessment process, which is approved under the Ontario Environmental Assessment Act.

Following the May 27, 2010 Public Information Centre, the preferred alternative was reviewed in light of comments received. Taking into consideration the comments that were received from regulatory agencies and the public, the recommended alternative includes:

- widening of Main Street between Bronte Street and Scott Boulevard to include two through lane (one lane in each direction), and a centre shared turn lane between Bronte Street and Whitmer Street
- on street bike lanes between Scott Boulevard and Whitmer Street
- multi-use path / sidewalk on both sides of the road between Bronte Street and Scott Boulevard (due to constraint at the CNR structure, the multi-use path will be provided by introducing pedestrian tunnels on either side of the CNR structure)
- signalized intersection at Scott Boulevard

**The decision making process of the EA Study has been documented in an Environmental Study Report, which is available for review starting Monday, January 31, 2011 at the following locations during regular business hours:**

**Town of Milton, Clerk's Department**  
150 Mary Street Milton,  
Ontario L9T 6Z5

**Milton Public Library – Main Library**  
45 Bruce Street, Milton,  
Ontario, L9T 2L5

Further information may be obtained by contacting:

**Mr. Alan D'Souza, P.Eng.**  
Coordinator, Infrastructure, Town of Milton  
Engineering Services, 150 Mary Street,  
Milton, Ontario L9T 6Z5

Fax: (905) 876-5029  
e-mail: alan.dsouza@milton.ca

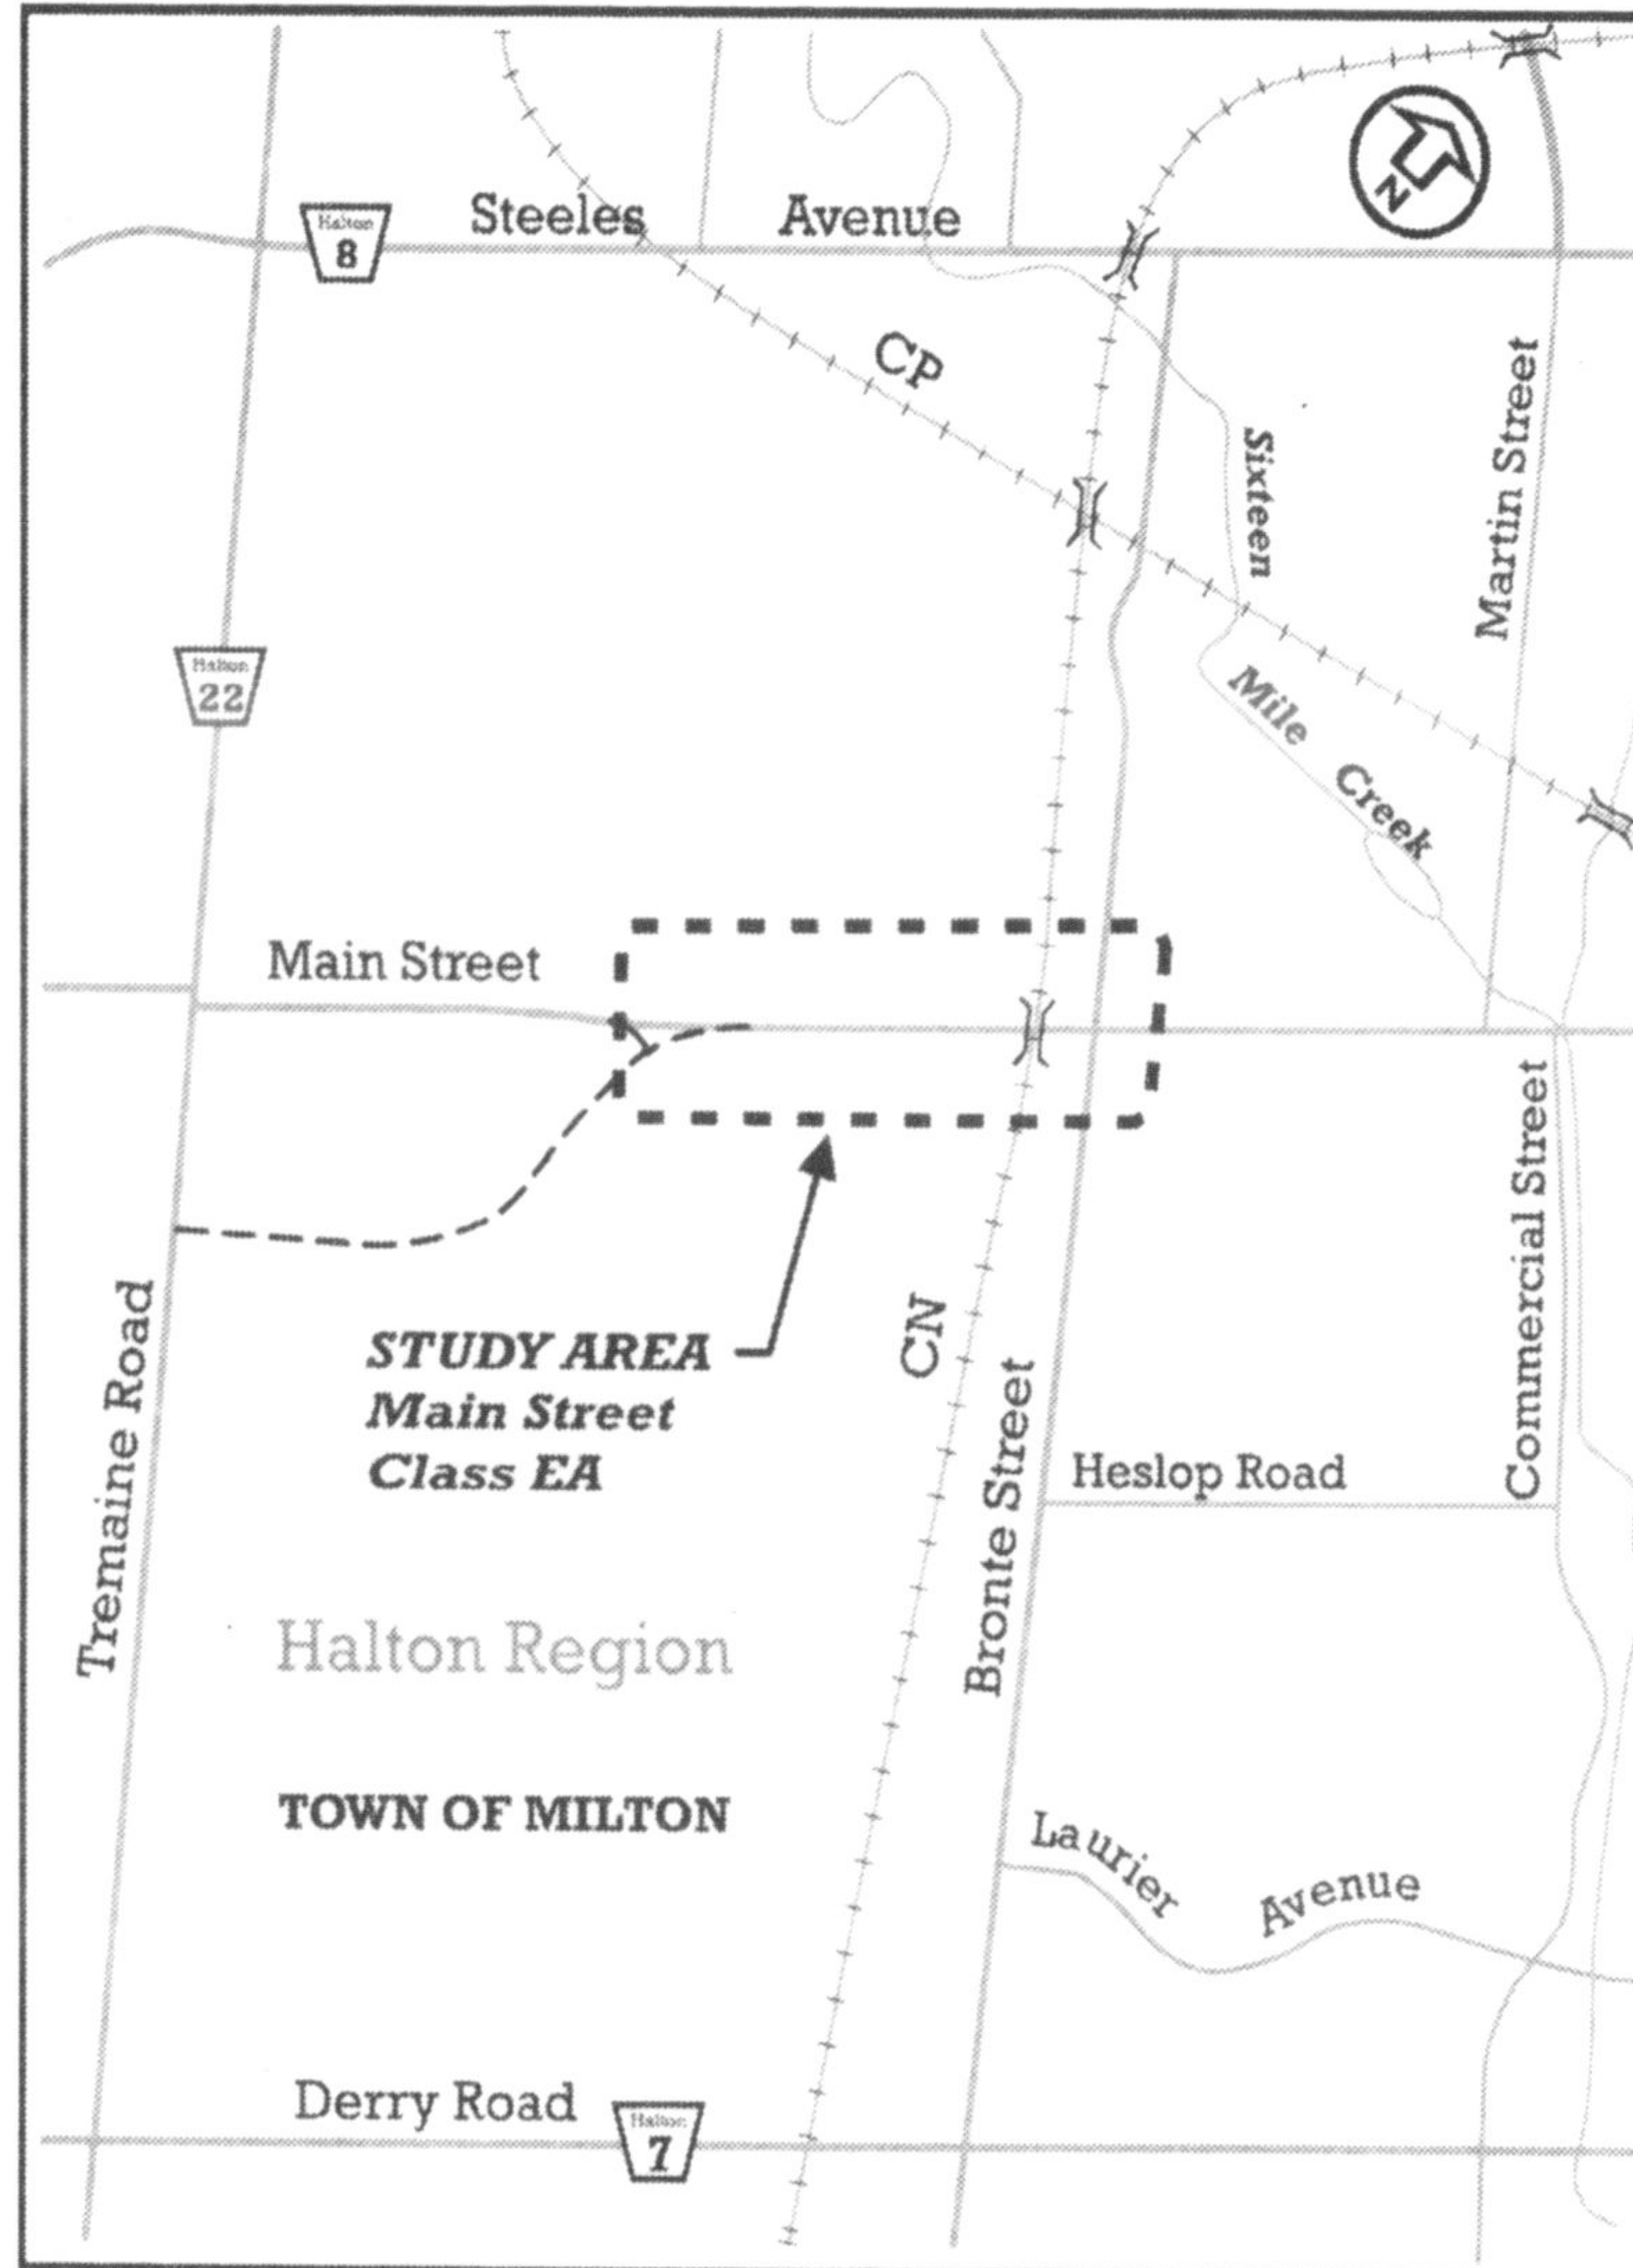

OR

**Mr. Martin Scott, P.Eng.**  
Project Manager, McCormick Rankin Corporation  
2655 North Sheridan Way,  
Mississauga, Ontario L5K 2P8  
Phone: (905) 823-8500  
Fax: (905) 823-8503  
e-mail: mwscott@mrc.ca

Written comments must be provided to Mr. Alan D'Souza, Town of Milton Project Manager, within 30 calendar days from the date of issue of this Notice. Please provide written comments by Wednesday, March 2, 2011.

If concerns regarding this project cannot be resolved in discussion with the Town, a person may request that the Minister of the Environment make an order for this project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environmental assessments. Requests must be received by the Minister at the address below by **Wednesday, March 2, 2011**. A copy of the request must also be forwarded to the Town of Milton Project Manager and the Town Clerk. If no request is received by **Wednesday, March 2, 2011**, the Town will proceed with the design and construction of the project as outlined in the Environmental Study Report.

**Minister of the Environment**  
77 Wellesley Street West  
11th Floor, Ferguson Block  
Toronto, Ontario  
M7A 2T5

## Better education needed

• from ACCIDENTAL on page A1  
between January 1 and February 1 this year, about 3,300 were either false, inappropriate or pocket dials, Maher added.

Some of his suggestions to avoid making erroneous emergency calls include taking SIM cards out of phones before giving them to children, or not allowing children to make phone calls, and removing 9-1-1 from the speed dial.

Maier said people also need to better familiarize themselves with the use of the line for emergency calls only.

He cited "surprising" instances where someone called 9-1-1 to ask if he was able to park on a certain street and another called to ask if the roads were safe for him to travel on during a recent snowfall.
