

**FIGHTING CLIMATE CHANGE:** From left, Susan Smith, Craig Jeffrey and Hayley Smith enjoy a night out in candlelight during the Earth Hour celebration at Ned Devine's restaurant on Ontario Street Saturday evening. The global environmental initiative asked individuals, businesses and communities to turn off their lights and electronics for an hour starting at 8:30 p.m., symbolizing a commitment to fight climate change. Also among the numerous local participants were Halton Region and the Halton District School Board.
