# April is Daffodil Month

Most of us have a cancer story. We've all been touched by the disease, directly or indirectly. There are more than 200 different types of cancers and a million ways that these cancers touch our health, families, friends and relationships. That's a lot of stories. Make your story the reason you give.

You can help the Canadian Cancer Society enhance the lives of cancer patients. Support cancer patients living in the Milton Community. Call 905-845-5231 and become a Volunteer Driver or a Peer Support Volunteer.

## Give Generously At The Door

**Neighbourhood canvasses** will take place throughout the entire month of April and thousands of Canadian Cancer Society volunteers will be knocking on doors across Ontario.

**Because this isn't just another appeal - it's about you making cancer history.**

The money raised during Daffodil Month makes a real difference. It helps the Canadian Cancer Society fund life-saving cancer research, provide up-to-date and reliable information about cancer to the public and deliver community support services.

### How to recognize our volunteers at your door

When our canvassers come knocking in April, look for these materials to ensure they are Canadian Cancer Society volunteers. And thank you for your support!

In areas where we do not have a canvasser you can expect an envelope in the mail.

*To become a Community Sponsor, please contact Fiona  
at 905-878-2341 ext 217*
