The Canadian Cancer Society *Relay For Life* is more than just a fundraiser. It is an opportunity to get together with family and friends and celebrate cancer survivors, remember loved ones lost to cancer, and fight back in the hope of finding a cure for this terrible disease.

Relay is fun, fulfilling, and your participation gives strength to our mission to eradicate cancer. Walk with us in this inspirational 12-hour overnight event as we come together and join the fight against cancer.

I wear it for my father.

My father survived testicular, bowel and skin cancer. Because of his fighting spirit, he simply refuses to let a big thing like cancer slow him down.

80% of people diagnosed with cancer today will survive, compared to just 25% when the Canadian Cancer Society was founded in the 1940s. Funding research makes a difference.

I wear it for my mother.

My mom survived colon cancer after a tumour the size of an orange was found when she was 72. She looked cancer in the eye and won the fight.

Every three minutes, another Canadian takes the fight against cancer.
