Pet Boarding
Facility

A satisfied customer says:

"When we went on vacation, leaving our dog behind was one of the hardest things for us until finding Escarpment Pet Retreat. We now know that Tyson is receiving the best of care by their wonderful staff. Knowing that he is happy in this safe and fun environment allows us to enjoy our vacations even more. I do not hesitate in recommending Escarpment Pet Retreat as a kennel of choice."

Janet Whitehouse

Going away this summer?

Plan your pet's vacation too - at Escarpment Pet Retreat!

We offer extended hours, a clean facility, along with a country location, with a lot of walks and treats for your pet. Our caring and knowledgeable staff are all pet owners too and dedicated to making sure your dog or cat feels right at home at Escarpment Pet Retreat. Visit our website, www.escarpmentpetretreat.ca for the boarding packages and options available.
