

**ON THE MOVE:** Walkers and runners of all ages turned out for the recent Milton-Halton Hills MS Walk, which included some wet snow and gusty winds. Clockwise from left, four-year-old Emma McIntyre can't wait to get out on to the course, which began and ended at the Milton Leisure Centre. Runners and walkers head west along Main Street. Audrey Ferreira, 5, is all bundled up while participating with the rest of the 'Brother's Team.' A collection of messages shows who people were walking for. Canada has one of the highest rates of multiple sclerosis sufferers in the world, with three Canadians diagnosed with the disease each day.
