Caregivers series to begin May 4

For caregivers of seniors in need of assistance, help is close at hand.

Halton-based Acclaim Health will host a four-week caregiver series next month at Martindale Gardens (45 Martin St., across from the Mill Pond).

Running from 1:30 to 3:30 p.m. on consecutive Wednesdays starting May 4, the free series covers all aspects of the caregiving experience, from accessing relevant information and support networks to handling stress and taking control of difficult situations.

The series will have an interactive approach, and follow-up programs are available.

Those interested in taking part are asked to register at 1-800-387-7127, ext. 2319.
