**PERMACON** MACHINE OPERATOR

Permacon Group is a leader and pioneer in the manufacturing of concrete masonry and landscaping products. Permacon Group is a division of Oldcastle® Architectural and operates 11 plants in Ontario and Quebec.

We are currently looking for a Machine Operator at our Milton plant located at 8375 #5 Side road in Milton. This is a seasonal full-time position. He or she must be available to work on 12 hour shifts, both day and night shifts. Must have valid driver license and own means of transportation.

Reporting to the Production Supervisor, the Machine operator must be able to operate a block machine, follow quality and health and safety policies and procedures, participate in maintenance work, mould changes and preventive maintenance of equipment, performs operations and adjustments for machine start up, programs equipment, completes quality and production reports, ensure a good product curing and participate in housekeeping and cleaning.

The successful candidate will have a High School Diploma (diploma in welding or mechanic will be an asset), manufacturing work experience (fork lift experience will be an asset), good team work skills, safety mindset, good mechanical aptitudes, good learning capabilities and capability to perform continual physical work.

We are offering a competitive salary and benefits package as per the collective agreement. If you are interested with this challenge, please send your resume by mail, e-mail or fax.
