

GONE FISHING: Milton youths and their parents descended on the Mill Pond Saturday morning for the annual kids fishing derby, put on by the Halton Sportsmen's Association. Clockwise from left, eight-year-old Rocco Daurizio and friend J.T. Vanbolhuis, 9, show the two trout they caught. Nine-year-old Nora Draper fishes through one of the steel fence rails. Two-year-old Luke Cleland gets a hand with his casting from mom Leanne. Seven-year-old Liam Waciuk can't hide his frustration at not getting a bite, while he's reflected in the still waters of the pond. Young anglers line the edge of the pond.
