Rewarding Accomplishments

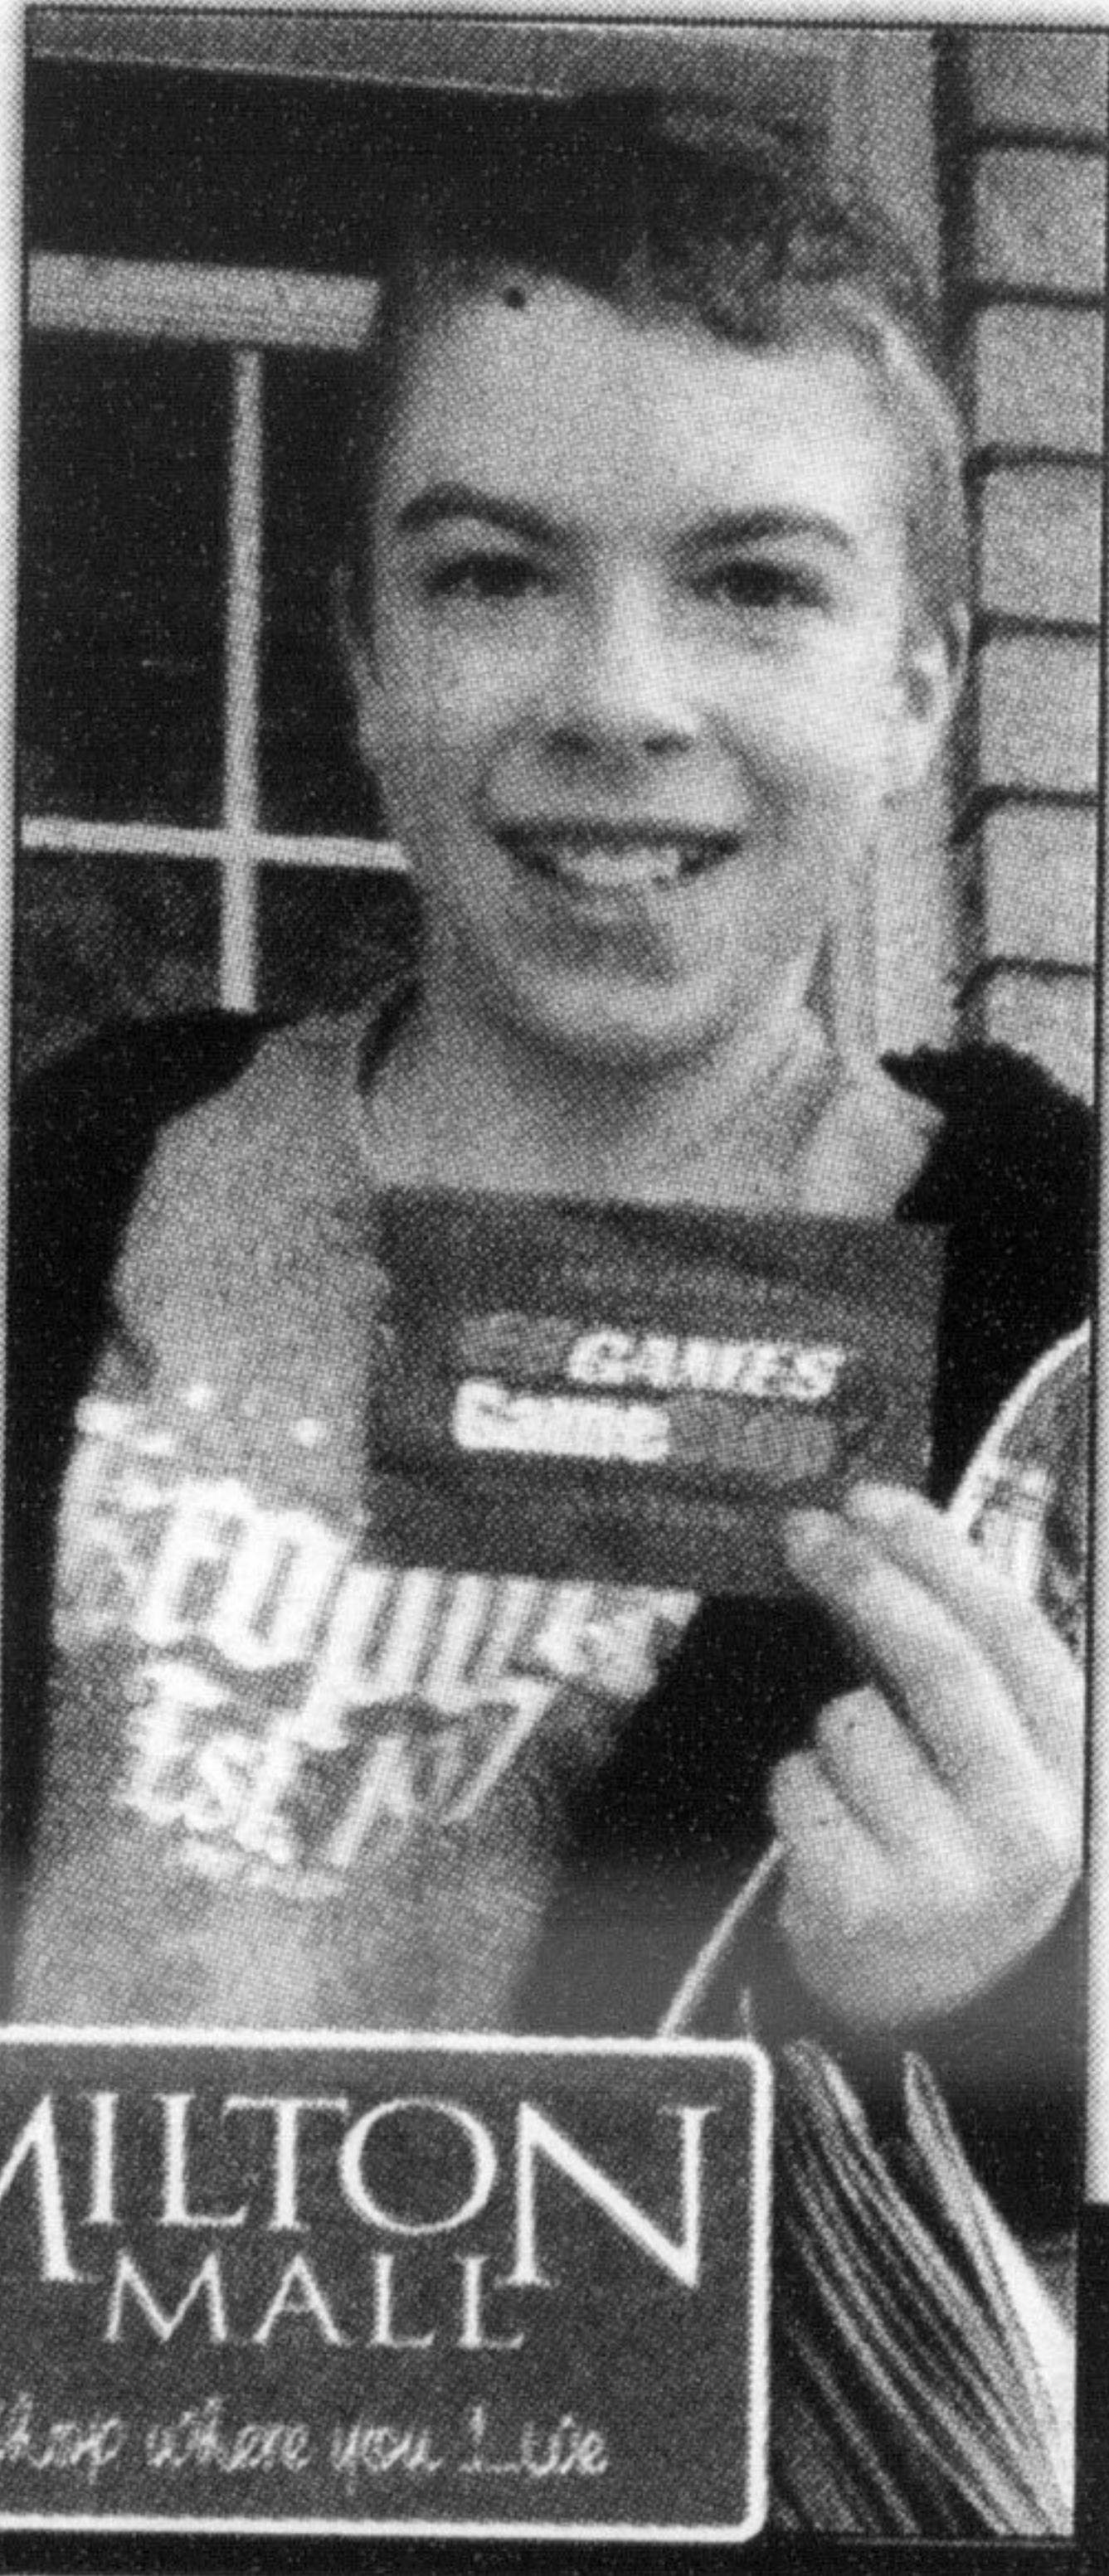

Carrier Of The Month

Through the rain, sleet and snow, our carriers withstand the different elements of weather to deliver the Milton Canadian Champion. Without their dedication, our weekly newspapers would not be

delivered to the doorsteps of the residents of Milton and it's surrounding areas.

Each month we recognize the hardwork and discipline these carriers set forth. The Milton Canadian Champion is proud to award Milton's carrier Nathan — as this month's Carrier of the Month. Congratulations for a job well done!

We would like to thank the Milton Mall for generously donating our Carrier of the Month prize.

Here's the reasons why you may not get paper delivery....

- Construction
- Heavy machinery
- Loose dogs
- New route not ready to start yet
- Snow or ice not cleared creating a safety hazard
- Any dangerous situation that would prevent our carrier from making a delivery in a safe manner
