

Halton Regional Police launch 2011 Safe Prom Initiative

The Halton Regional Police Service, Halton District School Board and Halton Catholic District School Board have partnered together on an important initiative regarding road safety and the well being of students.

Every year, students throughout the Region celebrate prom season. While generally a happy occasion, it also comes with inherent risk due to drug and/or alcohol abuse and impaired driving.

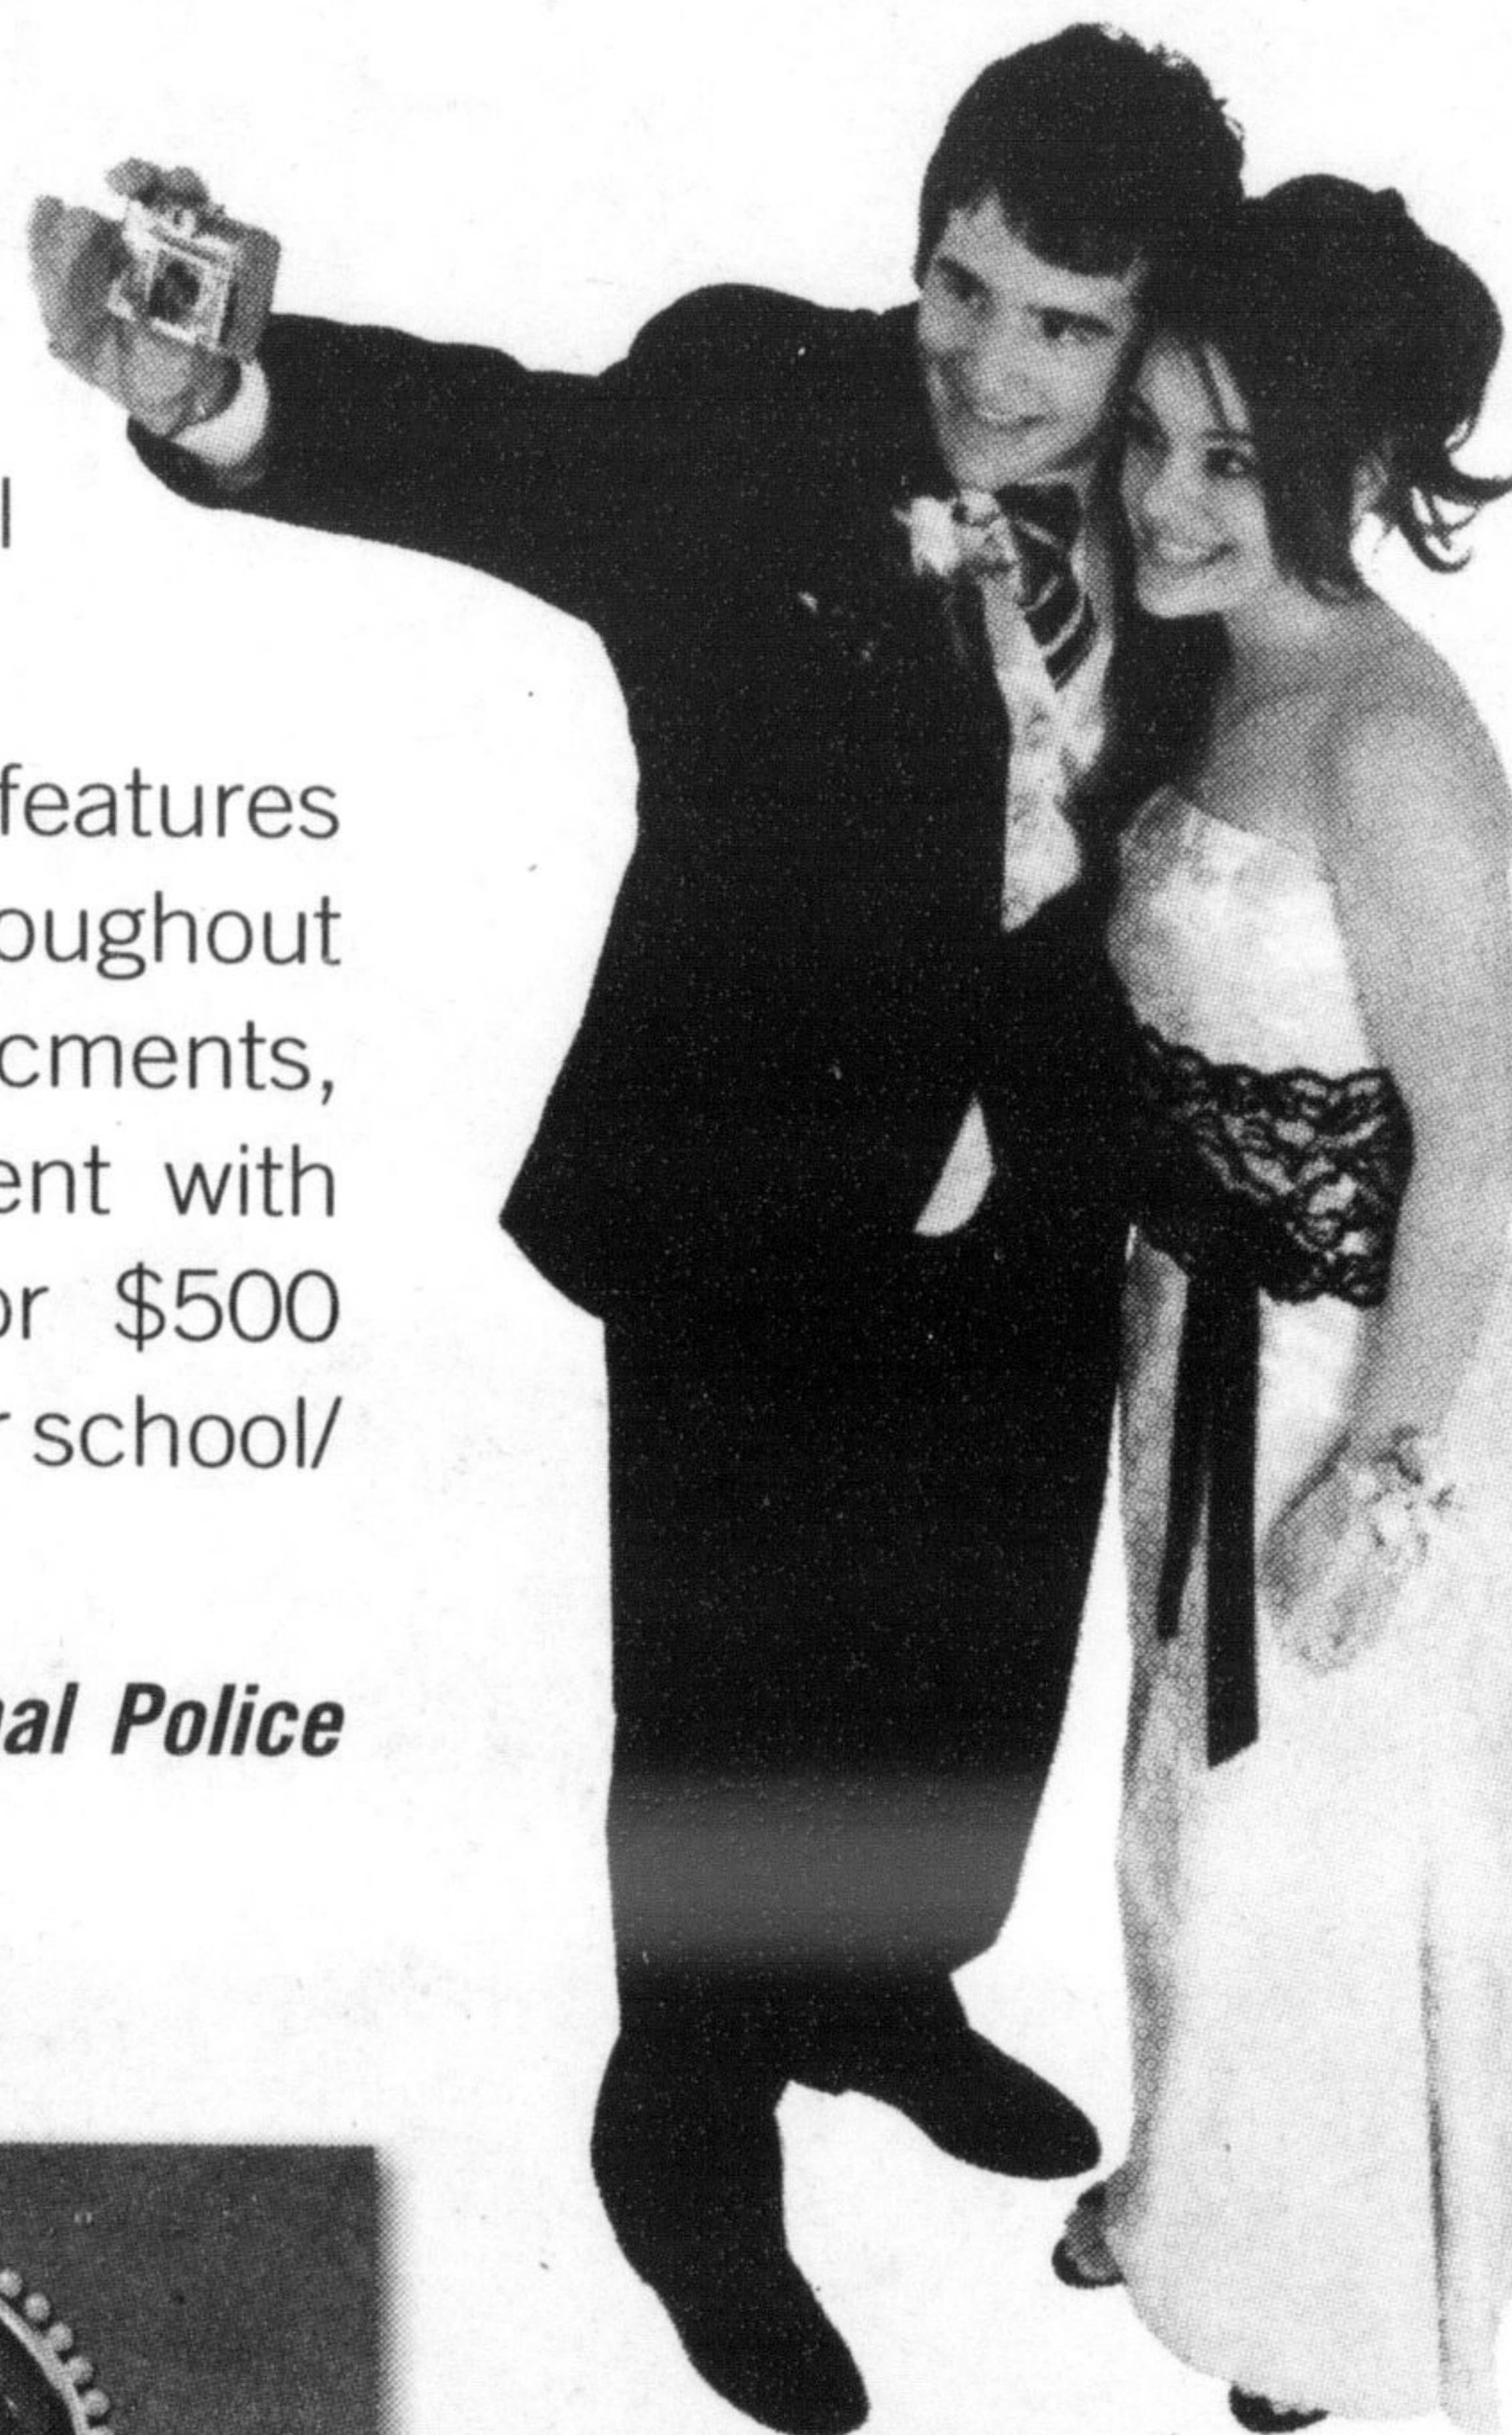

On May 4th, the 2011 Safe Prom launched at various high schools, using a staged car wreck to represent the tragic consequences incurred by those driving while impaired.

Deputy Chief Bob Percy - Community

Policing Operations, spoke about the specific strategies being utilized to address the concerns of road safety and student well being.

The Safe Prom initiative also features messaging within the schools throughout the Region, public service announcements, posters, an educational component with respect to RIDE and a raffle for \$500 towards a limousine for prom use or school/team activity.

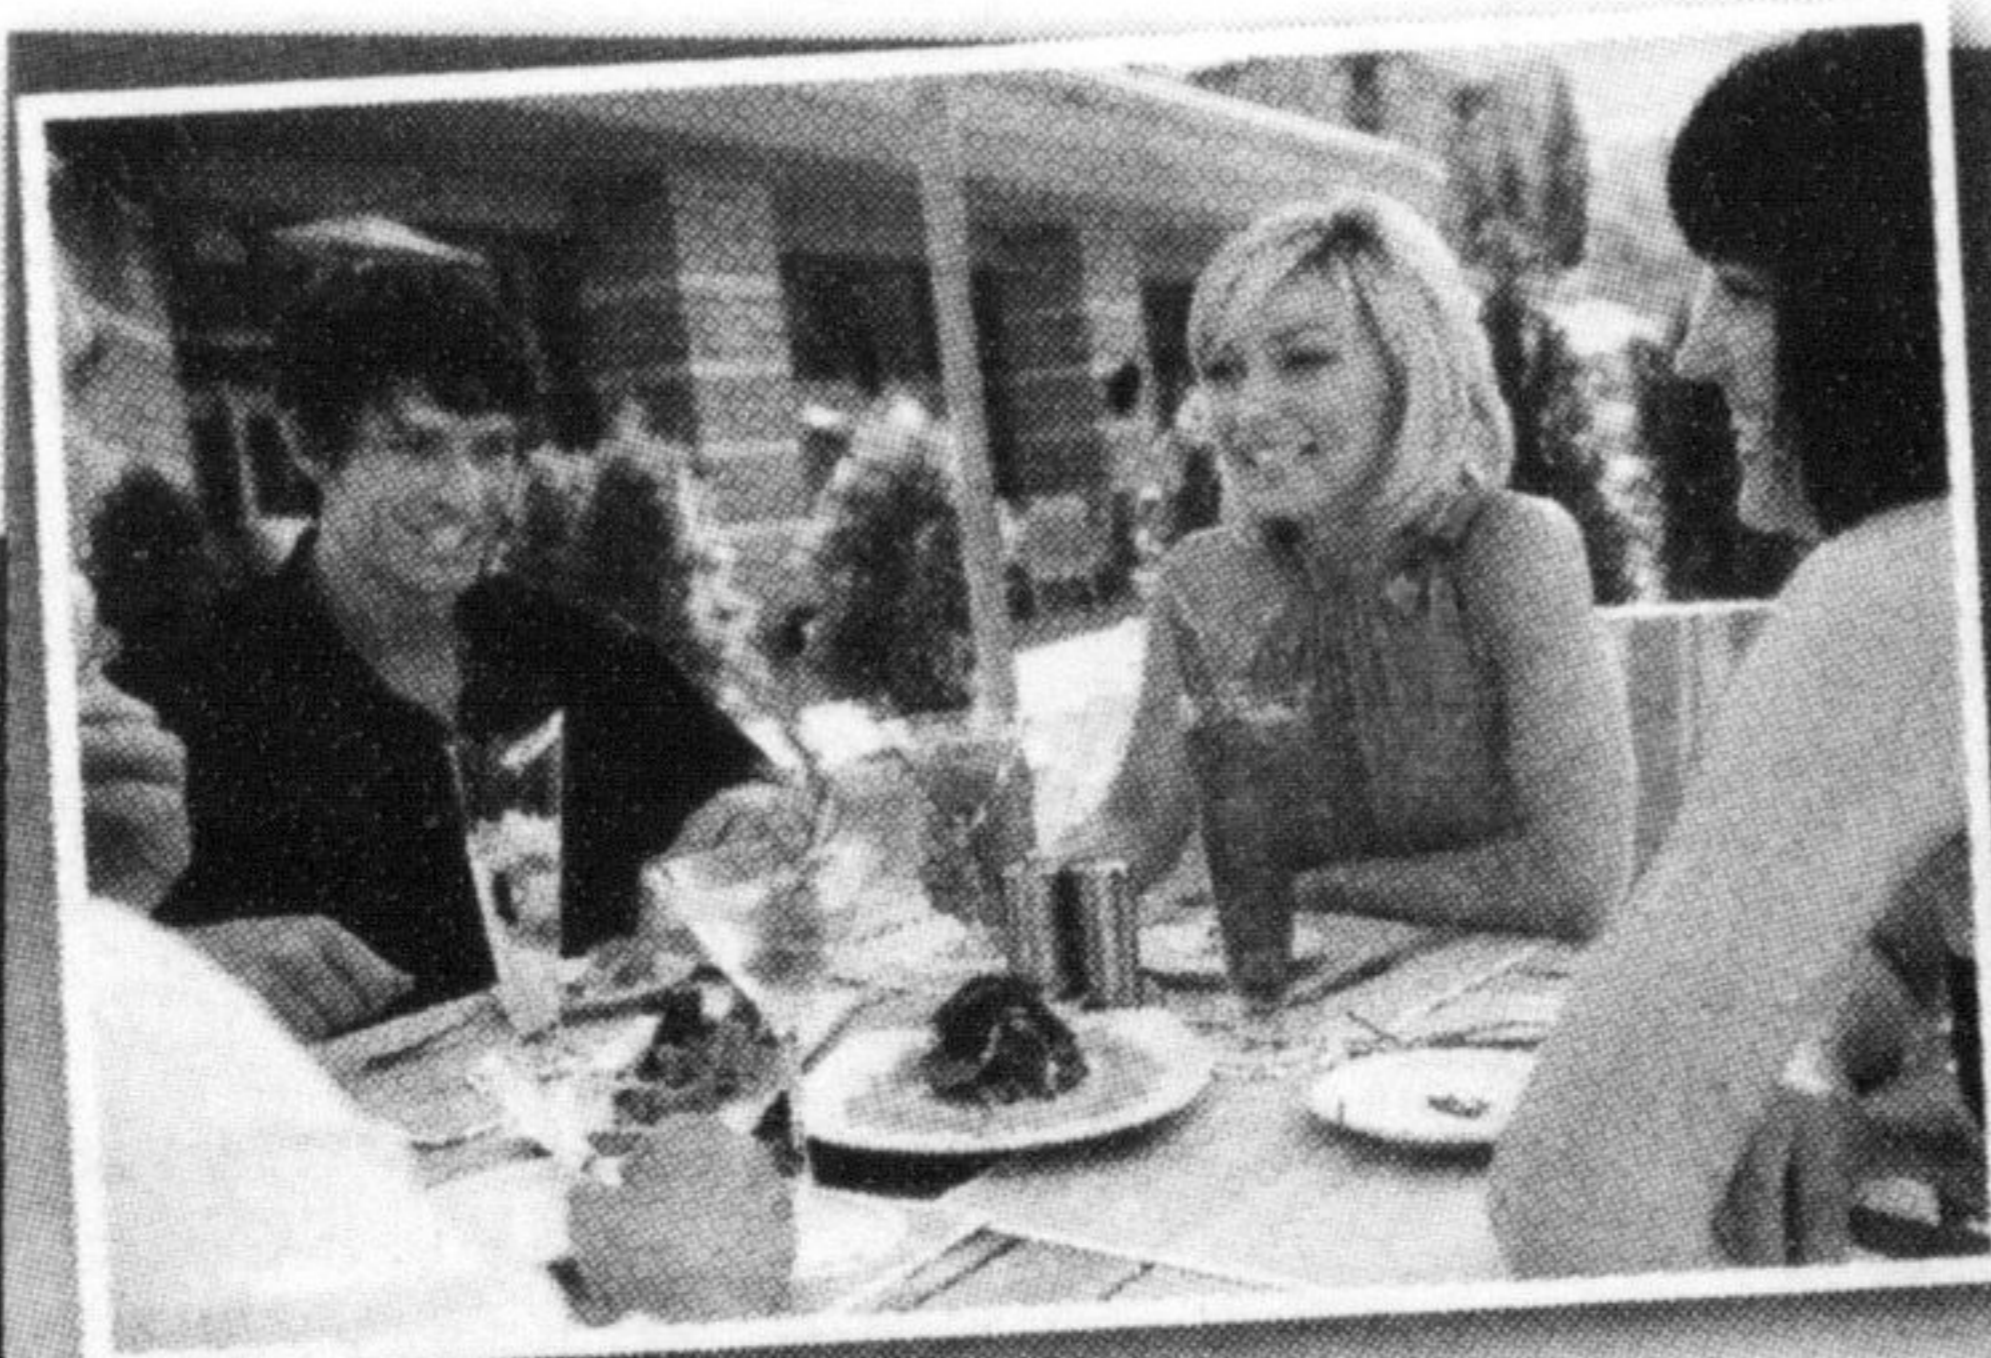

Information provided by Halton Regional Police Service.
