## President's Message

Melissa Coulson, Chamber President

I had the opportunity to attend the Ontario Chamber of Commerce Annual General Meeting in Toronto at the beginning of May which was a fascinating conference for me. The primary purpose of this meeting is to set policies for the upcoming year as provided by Chambers from around the region and to honour Chambers across Ontario for their accomplishments over the year.

One of the highlights of the weekend for me was to watch Sandy Martin be honoured with the Burnie Gillespie award. This particular award is highly regarded amongst the chambers as it is the premier Ontario Chamber of Commerce Annual award.

It was for her leadership, dedication, mentoring and volunteerism that she received this award. For almost 20 years, Sandy has been our Executive Director and she has quite simply, done a great job. She has

over seen the greatest growth period known to the Milton Chamber. With her guidance and leadership, the Chamber has more than doubled its membership, staff and significantly increased the quantity and quality of every Chamber function held in Milton.

Her nomination was supported by numerous individuals across Milton and Halton region who have attested to the true dedication of her work and mentorship. She volunteers within the community serving on a number of local committees including the Friends of Milton Hospital Committee. Anyone who has had the opportunity to work with Sandy knows that she truly is committed to the Chamber and the membership.

President and CEO of the Ontario Chamber of Commerce, Len Crispinio explained that "Leading a chamber requires a strong commitment to the advancement and economic prosperity of the community, but the Gillespie Award recognizes an individual who, like the award's namesake, goes well beyond the day-to-day." An award well deserved by an executive director who continually goes above and beyond for the membership and the community.

If you run into Sandy, be sure to congratulate her on her achievement.
