

# Woman struck on Hwy. 401

*Police want to speak to anyone who has information about incident*

A 29-year-old Toronto woman was taken to Milton District Hospital with non-life threatening injuries Wednesday after being struck by a car in the eastbound lanes of Hwy. 401 near Guelph Line.

The woman had been involved in a single-vehicle accident and had exited her vehicle, which was blocking a through lane, according to Port Credit OPP.

A second eastbound car approaching the

scene swerved and struck the woman while she was standing outside of her vehicle, police said.

Two more eastbound vehicles then became involved in the incident, police said.

The collision remains under investigation at this time.

A second passenger from one of the involved vehicles was also transported to Milton hospital as a precautionary health measure.

Anyone with information regarding the incident is asked to contact OPP Const. Warner Muller of the Port Credit detachment at (905) 278-6131.

# Fireworks at end of festivities

• from MILTONIANS on page A1

Show with indigenous wildlife.

The K9 Dog Show will unleash a host of canines and their freestyle and Frisbee tricks as well as games showing their agility, speed and obedience.

"It is a fun-filled day designed for kids and pretty much everything is free...we try to make as much as we can for free," said Paul Scherer, a member of Milton's Canada Day Committee.

Wandering throughout the crowds this year will be a friendly newcomer to the town's Canada Day celebrations, Milton the Moose.

"We just think anything we can do to engage the little guys more and more... It

will be fun for photo-ops and what's a better symbol for Canada than a moose?"

Gates to the fairgrounds will open at 11:30 a.m. and prior to the fireworks finale, the Bee Gees cover band Night Fever will perform.

"It's one of Milton's signature annual events. It's a real Milton tradition and it's a great day," said Scherer.

With Milton now home to a growing number of young families, the event is also a way of welcoming these new residents to town and making them a part of what's happening, he added.

Once again, Milton Transit will offer a free shuttle service to the fairgrounds. For details, go to [www.miltoncanadaday.ca](http://www.miltoncanadaday.ca).
