Milton's 2011 Senior Athletes of the Year

Bishop Reding

• Providing an impressive physical presence throughout the school year, **Chris Adeneye** co-captained both the football and rugby teams — standing out at both defensive end and left tackle on the football field and as a lock in rugby. He was also a defensively-formidable centre with the basketball squad.

• Scooping up the award big sister Lindsey earned a few years back, **Lauren Furik** helped lead the basketball team to the Halton semis as a strong playmaking guard and co-captain. She also stood out as a co-captain power in volleyball and a defender in soccer. Mixed doubles play in badminton rounded out her 2010-11 athletic endeavours.

E.C. Drury

• A year-round defensive specialist, **Sebastian Cavaliere's** best efforts were reserved for soccer, in which he anchored the midfield with suffocating play. He was also captain and power in volleyball squad and a solid guard in basketball.

• **Tasha Brunner** was a formidable presence in three different sports, including her all-star run in field hockey. She co-captained both the volleyball and soccer teams as well, doing so at setter/power and midfield respectively

• A two-time athlete of the year, having won the award on her own last year, **Bri Rector** played just one sport but certainly shone at it — as a sensational middle and co-captain in volleyball.

Milton District

• A formidable power, **Alysha Carusi's** hitting factored heavily into the volleyball team reaching the Halton AAA championships, after she won back-to-back junior titles. She was also an effective rebounder on the basketball court and in her first year of rugby delivered some solid running as an outside centre.

• **Ben Millar** continued to tear up the football field as the Mustangs' primary ball carrier, securing most of their touchdowns over the season. He closed out the school year as a strong second baseman — helping MD reach the Tier 2 semifinals, and was also a hard-nosed right winger with the hockey team.
