### HomeFinder.ca

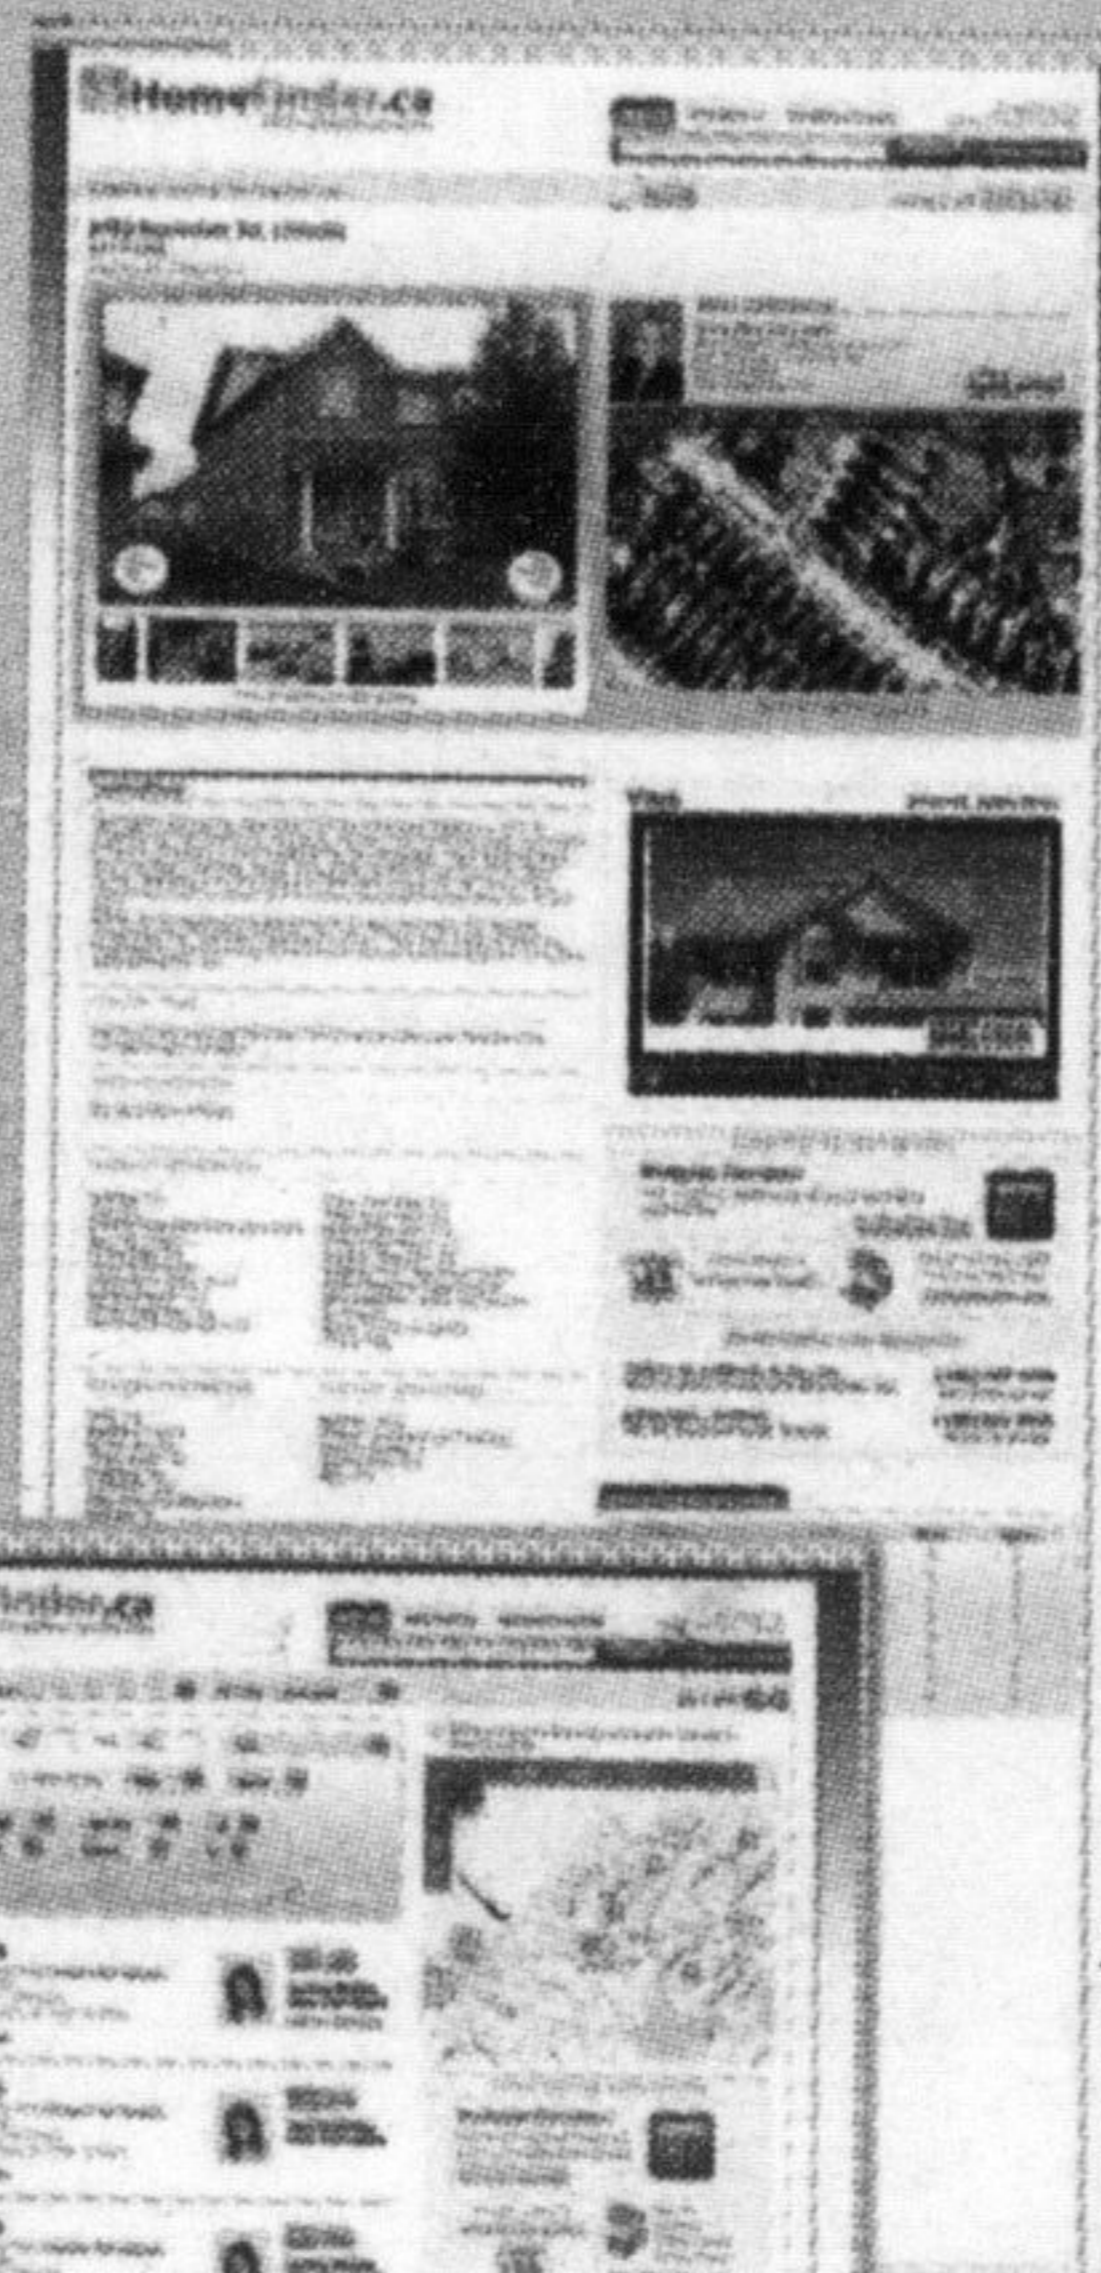

#### The HomeFinder.ca Experience

We asked homebuyers what they wanted and designed HomeFinder.ca with the homebuyers needs in mind. Combining flexible search parameters with advanced mapping technologies and comprehensive local information, HomeFinder.ca is the ultimate online property search.

- Properties can be found by neighbourhood, postal code, MLS® number, intersection or city
- Comprehensive demographic and lifestyle information
- Additional features include video tutorials, agent profiles, and useful links
- Property information includes links to virtual tours (if available) open house information, photo gallery, map of location, a list of similar homes for sale, and a link to the selling sales representatives profile page
- Homebuying toolkit including mortgage calculator, current rates, and useful links
- Open House listings searchable by location, price, # of bedrooms or bathrooms, or date
