Cruisin' on a hot Summer Night!

This Friday July 15th, Downtown Milton will be hosting its 7th annual Cruisin' on a HOT Summer Night, Classic Car and Motorcycle Show. The event will take place from 6pm to 12am on Main Street, between Fulton Street and Brown Street and will showcase over 175 pre-1976 cars and show quality motorcycles.

Classic car enthusiasts are in for a stroll down memory lane! Admission is FREE, and participating downtown businesses will be open late for shopping. Outdoor patios will be set up on the street for those who enjoy alfresco dining while taking in the entertainment.

Live entertainment will be featured throughout the night at The First Professional Collision and Paint Ltd. Stage, located at the intersection of Main Street and Martin Street. Kicking the night off at 6:00pm is Rolly Rocker and the Hemi Heads.

There is still space available for classic cars and motorcycles. They can be registered for \$10 through the Milton Cruise Car Club at their weekly car show Sunday evening at the Milton GO station or on www.downtownmilton.com.

Downtown Milton events invite residents, old and new, to explore the roots of their community with a visit to where it all began. Since 1857, the historic downtown core has acted as a meeting place – the social hub where neighbours and friends would convene. Today, Downtown Milton's Cruisin' on a HOT Summer Night, welcomes Milton residents to do the same; and experience the vehicles that would have graced the streets all those years ago!

A special thank you to this year's sponsors for making this event possible; Platinum Sponsor: First Professional Collision and Paint Ltd., Silver Sponsors: McCuaig Insurance Ltd. and The Canadian Champion. Bronze Sponsors: Legendary Motorcar Company Ltd., Wallace Chevrolet Buick Cadillac and GMC Trucks, and Scott's Car Care. This event couldn't happen without the generosity of our sponsors.
