Yard Waste: No Plastic

Plastic bags are **not** accepted in yard waste collection. Plastic does not decompose and reduces the quality of the final compost product.

Only use paper yard waste bags or reusable, rigid containers (no lids) labelled "yard waste." Yard waste labels are available at no charge. To order a yard waste label, visit www.halton.ca/wastetools, or contact Halton Region. Place yard waste labels on your reusable container.

Acceptable yard waste materials include yard and garden trimmings, pumpkins, fallen fruit from trees, and tree trimmings. Please "grasscycle" by leaving grass clippings on your lawn.
