## You can learn all about bats this summer at Mountsberg

Get up close and personal with bats this summer during An Evening with Bats, hosted by Mountsberg Conservation Area this Saturday as well as Saturday, Aug. 6.

Participants can watch the resident bats drop from their daytime roost in the Cameron Barn to begin their nightly hunt for insects and will have the opportunity to speak with a bat expert to learn the number of bat species in Ontario, among other interesting facts.

The family events will also include bat-themed crafts, a puppet show and a bat-themed story.

For the first time, Mountsberg will also offer the Adult Evening with Bats tomorrow for those who have a more scientific interest in the nocturnal creatures.

All programs run from 7:30 to 9:30 p.m. Pre-registration is required and pricing is \$16.95 for adults; \$11.30 for children (aged five to 14 years) and seniors (ages 65 and over).

Registration can be completed online at [www.conservationhalton.ca](http://www.conservationhalton.ca) or by calling Mountsberg at (905) 854-2276.

Mountsberg is located on Milborough Line, 5 kms west of Campbellville.
