

SIU called in to investigate fatal motorcycle-car crash

The Ontario Special Investigations Unit is investigating the circumstances surrounding the death of 30-year-old Robert Collins of Milton July 17, as the result of a motorcycle-car collision in Guelph.

At about 2:45 p.m., a Wellington OPP officer was conducting speed enforcement on the southbound Hwy. 6.

According to the OPP, the officer observed several motorcycles. One was allegedly

clocked at a high rate of speed.

The officer pulled out, and as he approached the intersection of Hwy. 6 and Wellington Road 34, he observed a crash.

A motorcycle collided with a 2004 Mazda 6 that was northbound and making a left turn onto Wellington Road 34.

The driver of the motorcycle, Collins, was airlifted to Hamilton General Hospital, where he died from his injuries.
