Junior Royals ground Eagles

Firing on all cylinders in Oakville Thursday, Bishop Reding's junior football team kicked off their season on a definite high note.

With just one turnover and a stifling defence, the Royals knocked off the Abbey Park Eagles 33-7.

Reding kept their hosts to three-and-out possessions for most of the first half and went into intermission with a comfortable lead — thanks to some huge gains and two touchdowns by primary ball carrier Joel Anderson and a lot of composure from quarterback Liam Shields.

The Royals' pivot would also score twice — both on bootleg scrambles — while Justin McCutcheon managed a 45-yard punt return touchdown in the third quarter to essentially put the game out of reach.

"With just one turnover, we were able to

eat up a lot of the clock," said coach Bobby Crowe. "And we pinned them deep a lot in the first half."

Linebacker Cole Miobertolo and nose tackle Charlie Pink anchored a rock-solid defence that held the hosts scoreless until well into the third quarter.

Meanwhile, Reding's seniors had some encouraging moments of their own Thursday.

But a few too many penalties and timing glitches proved costly in a 15-10 loss to the Eagles.

Quarterback Daniel Bateman connected with Ryan Tanason for the lone major, which came early in the third quarter following a 70-yard kick return by Deshawn Smikle. Jacob Evans' 25-yard field goal marked the only scoring of the first half.

IASA U12s add to hefty hardware haul

The Milton-based International Alliance Soccer Academy's (IASA) Under-12 team closed out its season recently, but not before securing one last piece of championship hardware.

Dominant at every turn, the local squad reigned supreme at the John Traganitis Tournament in Aurora — clinching its fourth title of the year against the hosts.

The 3-1 championship victory saw Marco Perruzza tally twice to claim MVP honours. Also scoring was Nicholas Oliveira, who amassed a team-high nine goals over the weekend, including one in a 2-1 semifinal

decision over Markham. Perruzza also found the back of the net in the semis, and finished the tournament with a total of four goals, while earning the MVP nod was Jacob deRoo.

IASA steamrolled its way to the final four, starting with a 10-2 annihilation of Erin and continuing with 4-0 and 3-1 wins over Peterborough and Deep River respectively.

Nicholas had three goals in the round one mismatch and a pair in each of the next two games. Daniel Scott and Zsolt Csiszer each had three goals overall, while also scoring in Aurora were Keagan Flower and Steven Kohanic.
