

# Police Blotter Firearm charges laid in incident

A 23-year-old Milton man was charged Friday night with possession of a firearm while prohibited, carrying a concealed weapon and breaching probation.

The charges stemmed from an incident at The Beer Store on Millside Drive when a replica firearm dropped from underneath the jacket of a male patron.

The customer paid for beer then exited the store and police were called.

A suspect was arrested at a Bronte Street residence.

## Tires stolen

Four rear tires, valued at \$2,000, were stolen Sunday from a truck parked at Core-Mark on Esquesing Line.

Police are investigating.

## Scrap metal shop hit

About \$400 in property was stolen from Moffat Scrap Iron & Metal on Guelph Line early in the morning November 7.

Police said three men wearing masks and hoodies entered the compound in a white GMC cube van sometime between 1:17 and 7:13 a.m.

After rummaging through several vehicles and storage containers, the thieves stole a set of stereo speakers, a Winchester air rifle, a set of open-ended wrenches, Mastercraft screwdriver set and two Stihl gas-powered cut-off saws.

## Vandals target school

Vandals targeted W.I. Dick Middle School overnight November 2.

The trunks of three young maple trees were snapped and black marker was used to deface two doorways.

Some of the graffiti was racial in nature.
