### OUR ANGEL WALKS BESIDE US

Our Mom walks beside us,  
We feel her everyday,  
she helps us through our ups and downs,  
and whatever comes our way.  
Mom guides us down the road of life,  
and lights the darkest road.  
Mom helps to ease the pain we feel,  
she mends our spirits, too.  
Mom holds our hands, and shelters us,  
and gives us courage and strength.  
Mom speaks to us with words of love,  
and listens to our pleas,  
To guide and comfort us.  
We know she's always watching.

**We love you Mom and miss you.**

**Kelman, Norma**

In loving memory of a Sister and Zia who passed away July 1, 2007

Two tired eyes are sleeping,  
Two willing hands are still,  
For one who suffered far too much,  
Is resting in God's will  
You never said goodbye to us,  
For perhaps it's just as well,  
We never could have said goodbye  
To one we loved so well.

**Always remembered by your  
loving sister and family**
