In the name of ALLAH, the Compassionate, the Merciful
"Therefore give guidance in case the guidance will profit (the listener). The guidance will be received by those who fear (ALLAH) But it will be avoided by those most unfortunate ones, Who will enter the great Fire, in which they will neither die nor live. But those will prosper, who purify themselves, And praise the Name of their Guardian-Lord and (purify their hearts) in prayer. But no! You prefer the life of this world; But the Hereafter is better and (it) lasts longer. And this is in the pages (of Books) of the early revelations- The pages (of Books) of Abraham and Moses"
