## NEWS AND INFORMATION FROM MILTON DISTRICT HOSPITAL

### Strawberry Fair well attended!

With the support of the Milton community, the Auxiliary's 29th Strawberry Fair was a great success! We wish to thank all who assisted: service clubs, auxiliary members, Hospital Foundation Staff, friends and families. We are grateful for the support and donations from businesses in and around Milton. We plan on seeing you all again next year!

Congratulations to the following raffle winners:

- D. Masciantonio** – VIA Rail round trip for Four from Oakville to Ottawa
- L. Saindon** – One of a kind handmade Candy Striper Bear
- C. Williams** – Lena Liu Framed "Harmonic Duet" Print
- D. Waight** – Stainless Steel DeLonghi convection oven
- N. Sandiford** – Golf Foursome at Carlisle Golf and Country Club
- A. Cowton** – Avon Beauty Basket
- C. Scott** – Kid's Basket

### Sportsmen's Association Annual support

Members of the Halton Sportsmen's Association present the MDH Auxiliary with a cheque for \$4,500 which they raised at their Annual Breakfast. The Auxiliary wishes to thank them for this wonderful support.

### Smoke Free on July 1, 2009

On July 1, 2009 Halton Healthcare Services will be asking those who work or visit the hospital to refrain from smoking while on hospital property.

Green signs have popped up all over Halton Healthcare Services' (HHS) three community hospitals in Georgetown, Milton and Oakville, to remind everyone that as of July 1 "These Grounds are Smoke Free."

*Please support this healthy initiative and help clear the air at our hospitals.*

### Parking at Milton District Hospital

We are investing \$600,000 in the parking facilities at Milton District Hospital this spring and summer. These improvements began with some additional paving of the front parking lot in mid-June and will conclude with the installation of new equipment before the end of July.

The new parking equipment will respond to concerns about the current parking fees and will provide visitors with greater payment options.

Once operational, visitors will obtain a ticket when they enter the parking lot and will be able to pay for their parking using cash or credit card at a pay station inside the hospital or by credit card at the gate when exiting.

This system will replace both the current parking token system that exists and the flat rate charge of \$7.00 which is currently charged for any amount of time spent in the parking lot.

The current parking fees will be adjusted to reflect those which are currently being charged at the other HHS hospitals. Daily, weekly and monthly passes will also be available at the pay stations and will be valid at any HHS hospital.

Parking fees collected by the Hospital cover the cost of providing, maintaining and administering the parking facilities - expenses that are not covered by government funding. Any revenue collected beyond these expenses are used to support local Hospital programs and services.
