**THE NIAGARA REGIONAL POLICE SERVICE**

is dedicated to serving and protecting residents and visitors within the Regional Municipality of Niagara. In partnership with the community, we shall provide quality policing services with integrity, diligence and sensitivity

We thank all applicants in advance for their interest. Only those candidates selected for an interview will be contacted.

## IT Telecommunications Coordinator

Under the general direction of the ICT Executive and Management, the successful candidate will direct, plan, develop and implement expansion projects, transfer new systems into normal operations and oversee the Niagara Regional Police Service's telecommunications and 9-1-1 Emergency Service infrastructures.

To qualify for this position, you must possess a post-secondary degree / diploma in Computer Science / Technology / Telecommunication, have training in both Wireless and Voice over IP (VoIP) methodology and implementation and be competent in telecommunication network engineering principles, PBX, IVR, CTI configuration and scripting. In addition, you have a minimum of five years related working experience, and three years supervisory / project management experience.

To be successful in this position, you will have the ability to manage multiple projects with minimal supervision, possess superior verbal and written communications skills, proven business analysis, budgeting, negotiating and problem solving skills, as well as a proven track record in working collaboratively. An aptitude to seek out and identify trends and issues, recommend innovative solutions and maintain integrity of confidential data round off your individual qualifications. Basic Salary \$81,885.45 (Under review).

Qualified applicants are invited to submit their resume and cover letter by **Tuesday, August 4, 2009**, to
