

HELPING HAND: The Milton Rotary Club recently donated a van to Community Living North Halton (CLNH). The funds were raised through various activities in the past year. The largest amount came from Rotary's Spring Masquerade Ball. The club is a group of local business, professional and retired men and women who work in line with Rotary's motto, 'Service Above Self.' CLNH is a non-profit organization that provides support and services to developmentally-disabled children and adults in Milton and Halton Hills. Here, Rotarians are surrounded by clients, friends and CLNH supporters.

Volunteer drivers needed

Can you spare some time to take cancer patients to their treatments?

Do you have a few hours you could spare each week to help drive cancer patients to their medical appointments?

The local unit of the Canadian Cancer Society is looking for volunteers to do just that through its transportation service.

Getting to and from cancer treatments can be a difficult task for many reasons, especially if the patients have financial challenges or don't have family members to drive them.

Volunteer drivers are needed to drive patients to and from Juravinski Cancer Centre in Hamilton, Credit Valley Hospital in Mississauga and Princess Margaret and other hospitals in Toronto.

They provide a friendly, supportive atmosphere along the way.

A typical shift is about four hours each week, and drivers are needed for shifts Mondays to Fridays.

Mileage is reimbursed to the volunteers and required training is provided.

Volunteers' vehicles must be smoke-free.

For further information, contact Stephanie Bass at (905) 332-0060, ext. 3136.
