

Junior Red Sox extend win streak by taming Tigers

In one of their most fundamentally-sound performances of the season, the Junior Red Sox pushed their current win streak to three games by knocking off the second-place Mississauga North Tigers 6-2 Monday night.

The Tigers had just come off a 4-0 campaign at the initial round of Ontario 'A' Eliminations and looked poised to keep that run going after scoring twice in the first inning. But a highly-composed and effective Adam Slessor kept them in check the rest of the way, scattering eight hits and collecting five strikeouts over eight frames.

Scott McTrach delivered solid mop-up

duty, while Matt Scott came in cold to provide a big effort at shortstop after Will Hunter was hurt.

Shawn Dunsmore and Brandon Banaschewski had RBI to highlight a four-run second inning for the now 11-6 Red Sox, with Dustin Roskam and J.D. Hartnagle scoring in the sixth and ninth respectively to cushion the lead.

A sloppy but successful outing at Brian Best Park Sunday saw Milton topple winless bottom feeder Cambridge 14-10. Playing down to their guests, the Red Sox did just enough to stay ahead for the entire game.

Cody Matthews fueled the offence with

five RBI on a triple and two doubles, while driving in three runs on a pair of singles was Lee Mathé. Roskam scored three times.

Scott picked up the win with a sound five-inning effort, while John Brady worked the first three innings and continued to make

'Hawks starting a bit later this season'

Major upgrades at Memorial Arena aren't expected to be done until the second week of September, but that shouldn't interrupt the IceHawks' home opener.

With Milton's Jr. A hockey club competing at the Woodchuck Classic in Vermont from September 10 to 12, the first game at

the Thompson Road barn has been pushed back a week.

Recently classified a 'B' team for next month's provincials in Chatham, the Red Sox are in Oakville Sunday evening against the As.

The IceHawks' exhibition season will be held at the Milton Sports Centre, as Memorial is undergoing a \$1.2 million project to replace both the ice surface and refrigeration system.
