# Driver seriously injured

A 19-year-old Mississauga man is in serious condition after he was ejected from his vehicle on Derry Road yesterday morning.

Halton Regional Police said that just after 4 a.m. a vehicle was travelling westbound on Derry Road between Eighth and Ninth lines when it struck a light standard.

The vehicle rolled over and the driver was thrown.

The victim was air-lifted to a Toronto hospital where he remains with serious but non-life threatening injuries.

Commuters faced heavy traffic jams throughout the entire morning, with Derry Road closed between Eighth and Ninth lines while the Collision Reconstruction Unit investigated.

# Pile-ups jam 401

It was like traffic déjà vu.

Morning commuters faced delays both yesterday and Wednesday mornings due to a couple of multi-vehicle pile-ups on Hwy. 401 near Guelph Line.

Yesterday, just before 9 a.m., all lanes of the highway were blocked due to a crash in the eastbound lanes at Guelph Line involving three tractor-trailer units and a taxi.

There were no injuries. All lanes were re-opened shortly after 10 a.m.

Wednesday at about 6:30 a.m., a collision involving four vehicles took place in the eastbound lanes of Hwy. 401, just west of Guelph Line.

The two left lanes were blocked with debris and responding emergency service workers, who attended to minor injuries.

The accident was cleared and all lanes re-opened just before 8 a.m.
